Dear Colonel Cotton:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2010-0043, issued to the United States Air Force on June 28, 2010. The EPA has determined that the United States Air Force has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the United States Air Force is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

If you have any questions about this matter, please call Kimberly Pardue Welch at 303-312-6983. Thank you for resolving these issues.

Sincerely,

Lisa Kahn, Team Leader
