Pursuant to Section 7003 of RCRA, Docket No. RCRA-08-2020-0001

Dear Mr. Nebeker:

On October 14, 2025, the U.S. Environmental Protection Agency received your request to terminate the Amended Administrative Order for Compliance on Consent ("Amended Order") filed in EPA Docket No. RCRA-08-2020-0001. Based on the information submitted, the EPA has determined that all requirements of the Amended Order have been satisfactorily completed. This letter serves as written notice that the Amended Order is terminated.

Please note that this letter does not terminate your obligation to comply with the ongoing responsibilities under the Amended Order (such as record retention and availability requirements found in Section XIII of the Amended Order) or your continued responsibility to prevent conditions which may present imminent and substantial endangerment to health or the environment.

If you have any comments or questions concerning this notice, please feel free to contact Annette Maxwell of my staff at maxwell.annette@epa.gov. For legal questions, please contact Noah Stanton of the Office of Regional Counsel at stanton.noah@epa.gov.

Sincerely,

David I. Dorian, Manager
