Subject: Closure of Administrative Order – Sand Creek Trading Post Public Water System PWS ID #WY5600300, Docket No. SDWA-08-2024-0037, Crook County

James and Casey Moore:

The EPA has decided to close the Administrative Order (Order) regarding the public water system specified in the subject line. The EPA has determined that there are no remaining requirements of the Order.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties. If you ever have questions regarding your obligations under the drinking water regulations and remaining in compliance, don't hesitate to reach out to the EPA. Rule manager contact information for specific drinking water rules is available here: [Drinking Water Program Contact List](#).

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.

Best,

Elizabeth Tyson
