EXPEDITED SETTLEMENT AGREEMENT

Docket Number: CAA-02-2010-1202

This ESA is issued to: Olympic Regional Development Authority, 2634 Main Street, Lake Placid, New York

for violations of Section 112(r)(7) of the Clean Air Act.

This Expedited Settlement Agreement ("ESA") is being entered into by the United States Environmental Protection Agency ("EPA"), Region II, by its duly delegated official, the Director, Emergency & Remedial Response Division, and by the Olympic Regional Development Authority, Lake Placid, New York ("Respondent"), pursuant to Section 113 (a)(3) and (d) of the Clean Air Act (the "Act"), 42 U.S.C. §§ 7413(a)(3) and (d), and 40 C.F.R. § 22.13(b). EPA and the U.S. Department of Justice have determined, pursuant to Section 113(d)(1) of the Act, 42 U.S.C. § 7413(d)(1), that EPA may pursue this type of case through administrative enforcement action.

ALLEGED VIOLATIONS

On March 11, 2009, EPA sent a show cause letter to the Olympic Regional Development Authority to gather additional information concerning the Olympic Sports Complex's 5-year re-submittal which was due on October 15, 2008. The 5-year re-submittal is required for compliance with the Risk Management Plan ("RMP") regulations promulgated at 40 C.F.R. Part 68 under Section 112(r) of the Act. EPA found that the Respondent had violated regulations implementing Section 112(r) of the Act by failing to make the required re-submittal. On April 14, 2009, EPA received a resubmission of the RMP for the Olympic Sports Complex facility.

SETTLEMENT

In consideration of Respondent's size, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the entire record, the parties enter into this ESA in order to settle the violations described in the attached Summary Form for the total penalty amount of \$1,200.

This settlement is subject to the following terms and conditions:

The Respondent by signing below waives any objections that it may have regarding jurisdiction, neither admits nor denies the specific factual allegations contained herein, and consents to the assessment of the penalty as stated above. Respondent waives its rights to a hearing afforded by Section 113(d)(2)(A) of the Act, 42 U.S.C. § 7413(d)(2)(A), and to appeal

this ESA, and consents to EPA's approval of the ESA without further notice. Each party to this action shall bear its own costs and fees, if any. Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations listed herein. Respondent agrees to submit payment of the penalty within 45 days of the date of signature of the ESA by the Regional Judicial Officer of EPA Region II. After signature of the ESA by the Regional Judicial Officer, Respondent will receive a fully executed copy of this ESA. Respondent's payment shall be made by sending a cashier's check or certified check payable to the "Treasurer, United States of America" in the amount of \$1,200 the following address:

The Docket Number shown at the top of page 1 will have additional numbers added to it after the Regional Judicial Officer of EPA Region II signs the ESA. When you receive the fully executed document back in the mail and are sending payment, the complete Docket number must be included on the check. A copy of the check and any transmittal letter shall be sent to Francesco Maimone, USEPA, Response & Prevention Branch MS-211, 2890 Woodbridge Ave., Edison, New Jersey 08837. At the time payment is made, Respondent shall submit to Mr. Maimone information showing the amount that Respondent spent in correcting the violations described herein.

The penalty specified in this ESA shall represent civil penalties assessed by EPA and shall not be deductible for purposes of State or Federal taxes.

Upon Respondent's submission of the signed original ESA, and payment of the penalty as set forth in this ESA, EPA will take no further civil action against Respondent for the alleged violations of the Act referenced herein. EPA does not waive its right to take enforcement action for other violations of the Clean Air Act or for violations of any other statute.

If the signed original ESA is not returned to the EPA Region II office at the above address in correct form by the Respondent within 45 days of the date of Respondent's receipt of it (or within 90 days if an extension has been granted by EPA), the proposed ESA is withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations identified herein.

In addition, if Respondent fails to comply with the provisions of this ESA, by failing to timely submit the above-referenced payment, Respondent agrees that upon written notice from EPA, that this agreement shall become null and void, and that EPA may file an administrative or civil enforcement action against Respondent for the violations addressed herein.
