ICIS ID: 3602120400
Docket Number: RUST-05-2026-0029

Dear Punnoose Abraham Thachet:

On May 15, 2026, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the Ogden Marathon facility, 335 North Ogden, Chicago, Illinois. The violations were identified during an EPA UST inspection conducted on March 13, 2026.

On June 3, 2026, EPA received your signed copy of the Settlement Agreement and supporting documentation that the violations have been corrected was received on May 1, 2026. Your payment of $815.00 was confirmed by our finance office on May 19, 2026. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill at hill.kevin@epa.gov or (312) 886-6087.

Sincerely,
