Re: Closure of Administrative Order
Docket No. SDWA-08-2007-0008
Cook Lake Campground
PWS ID # WY5680010

Dear Mr. Bobzien:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued on November 14, 2006. The EPA has determined that the Black Hills National Forest has complied with the terms of the Order and therefore we will close it at this time.

Please be aware that the Black Hills National Forest is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Shawn McCaffrey at 303-312-6515. Thank you for resolving these issues.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
