Order to Complainant

By ruling dated February 23, 2012, I denied Complainant's motion for default order in B & A Petroleum Corporation, No. RCRA-07-2010-0019, for the reasons stated therein. The procedural history of that proceeding was discussed in that ruling and is not repeated here. In response to the ruling, Complainant filed an amended complaint, on March 29, 2012. Complainant subsequently filed amended complaints in Nos. RCRA-07-2010-0020 and RCRA-07-2010-0021 on April 30, 2012. To date, Respondents have not filed answers or other responses to the complaints, to the amended complaints, or to any other documents filed by Complainant in any of these proceedings.

In light of the current posture of these proceedings, Complainant shall, no later than June 15, 2012, file a detailed report addressing the current status of these matters (to include the manner of service of the amended complaints), a schedule for any additional filings that Complainant intends to pursue, and a demonstration that Complainant is pursuing prosecution or resolution of these proceedings as expeditiously as possible.

Ordered this 8th day of June, 2012.
