CONSENT AGREEMENT

The United States Environmental Protection Agency (“EPA”), Region 1 (“Complainant”), alleges that First Light Technologies, Inc. (“Respondent”) violated the Emergency Planning and Community Right-to-Know Act (“EPCRA”), 42 U.S.C. §§ 11001 - 11050, and the federal regulations promulgated thereunder.

Complainant and Respondent (together, the “Parties”) agree that settlement of this matter is in the public interest and that entry of this Consent Agreement and Final Order (“CAFO”) without further litigation is the most appropriate means of resolving this matter. Pursuant to 40 C.F.R. § 22.13(b) of EPA’s Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (“Consolidated Rules”), set out at 40 C.F.R. Part 22, Complainant and Respondent agree to simultaneously commence and settle this action by the issuance of this CAFO.

Therefore, before any hearing, and without adjudication of any issue of fact or law, the Parties agree to comply with the terms of this CAFO as follows:

I. STATUTORY AND REGULATORY AUTHORITY

1. Pursuant to Sections 313 and 328 of EPCRA, 42 U.S.C. §§ 11023 and 11048, EPA promulgated Toxic Chemical Release Reporting: Community Right-to-Know regulations at 40 C.F.R. Part 372.

2. Section 313(a) of EPCRA, 42 U.S.C. § 11023(a), requires owners or operators of a facility subject to the requirements of Section 313(b) of EPCRA to submit annually, no later than July 1 of each year, a Toxic Chemical Release Inventory Reporting Form, EPA Form 9350-1 (hereinafter, “Form R”), for each toxic chemical listed under 40 C.F.R. § 372.65 that was manufactured, processed, or otherwise used during the preceding calendar year in quantities exceeding the toxic chemical thresholds established under Section 313(f) of EPCRA, 42 U.S.C. § 11023(f), and 40 C.F.R. §§ 372.25 and 372.28. If an owner or operator determines that the alternative reporting threshold specified in 40 C.F.R. § 372.27 applies, the owner or operator may instead submit an alternative threshold certification statement that contains the information required under 40 C.F.R. § 372.95 (“Form A”). Each Form R or Form A (hereinafter, referred to together as “TRI Forms”) must be submitted to EPA and a designated state authority.

3. Section 313(b) of EPCRA, 42 U.S.C. § 11023(b), and 40 C.F.R. §§ 372.22 and 372.30 provide that owners or operators of facilities that have 10 or more full-time employees; that are in a Standard Industrial Classification (“SIC”) code or North American Industry Classification System (“NAICS”) code set forth in 40 C.F.R. § 372.23; and that manufactured, processed, or otherwise used a toxic chemical listed under 40 C.F.R. § 372.65 in a quantity exceeding the established threshold during a calendar year, must submit TRI Forms to EPA and the state authority for each of these substances for that year.

4. Section 325(c)(1) of EPCRA, 42 U.S.C. § 11045(c)(1), the Federal Civil Penalties Inflation Adjustment Act of 1990 as amended through 2016 (“FCPIAA”), and the FCPIAA’s implementing regulations as promulgated and updated by EPA at 40 C.F.R. Part 19 (most recently at 85 Fed. Reg. 83818, 83821 (Dec. 23, 2020)), together authorize the assessment of civil administrative penalties of up to \$59,017 for each violation of Section 313 of EPCRA that occurs after November 2, 2015. Pursuant to Section 325(c)(3) of EPCRA, 42 U.S.C. § 11045(c)(3), each day that an EPCRA Section 313 violation continues constitutes a separate violation.

23. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. In the event that Respondent does not fully pay the civil penalty required by Paragraphs 21 and 22 of this CAFO when due, the unpaid penalty shall be payable with accrued interest from the original due date to the date of payment, with the interest calculated at the rate established in accordance with 31 C.F.R. § 901.9(b)(2). A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorneys’ fees. In addition, a penalty charge of six percent per year, compounded annually, will be assessed on any portion of the debt which remains delinquent more than ninety (90) days after payment is due, with the

charge accruing from the date of delinquency in accordance with 31 C.F.R. § 901.9(d). In any such collection action, the validity, amount and appropriateness of the penalty shall not be subject to review.

24. The civil penalty under this CAFO and any interest, nonpayment penalties, and other charges paid pursuant to any penalty collection action arising from this CAFO, shall represent penalties assessed by EPA within the meaning of 26 U.S.C. § 162(f) and shall not be deductible for purposes of federal, state, or local taxes. Accordingly, Respondent agrees to treat all payments made pursuant to this CAFO as penalties within the meaning of 26 C.F.R. § 1.162-21, and further agrees not to use these payments in any way as, or in furtherance of, a tax deduction under federal, state, or local law.

25. This CAFO constitutes a settlement by EPA of all claims for civil penalties pursuant to Section 325(c) of EPCRA for the violations specifically alleged in Section III of this CAFO. Compliance with this CAFO shall not be a defense to any actions subsequently commenced pursuant to federal laws and regulations administered by EPA, and it is the responsibility of Respondent to comply with such laws and regulations. This CAFO in no way relieves Respondent or its employees of any criminal liability. Nothing in this CAFO shall be construed to limit the authority of the United States to undertake any action against Respondent in response to conditions which may present an imminent and substantial endangerment to the public.

26. Nothing in this CAFO shall be construed as prohibiting, altering, or in any way limiting the ability of EPA to seek any other remedies or sanctions if Respondent is in violation of this CAFO or continues to be in violation of the statutes and regulations upon which the

allegations in this CAFO are based, or if Respondent violates any other applicable provision of federal, state, or local law.

29. Each Party shall bear its own costs and attorneys' fees in this proceeding and specifically waives any right to recover such costs pursuant to the Equal Access to Justice Act, 5 U.S.C. § 504, or other applicable laws.

30. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of the Parties and approval of the Regional Judicial Officer.
