CONSENT AGREEMENT

I. NATURE OF ACTION

1. This is an administrative penalty assessment proceeding brought under Section 16(a) of the Toxic Substances Control Act (TSCA or the Act), 15 U.S.C. § 2615(a), and Sections 22.13(b) and 22.18 of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits*, as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.
2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, Region 4, who has been delegated the authority on behalf of the Administrator of the United States Environmental Protection Agency (EPA) to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 16(a) of TSCA, 15 U.S.C. § 2615(a).
5. Respondent is Flipside SC, LLC, a limited liability company doing business in the State of South Carolina.

III. GOVERNING LAW

6. Pursuant to Sections 402 and 406 of TSCA, 15 U.S.C. §§ 2682 and 2686, the EPA Administrator promulgated the “Residential Property Renovation Rules” at 40 C.F.R. Part 745, Subpart E,

including the Pre-Renovation Education Rule, Renovation and Repair and Painting Rule, and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.

7. The term “target housing” is defined at Section 401(17) of TSCA, 15 U.S.C. § 2681(17), and 40 C.F.R. § 745.103, to mean, in part, any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
8. The term “renovation” is defined at 40 C.F.R. § 745.83, to mean, in part, the modification of any existing structure or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an “abatement” as defined at 40 C.F.R. § 745.223. The term renovation includes but is not limited to the following: the removal, modification, or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping or other such activities that may generate paint dust)); and the removal of building components (e.g., walls, ceilings, plumbing, windows).
9. The term “firm” is defined at 40 C.F.R. § 745.83, to mean a company, partnership, corporation, sole proprietorship or individual doing business, association or other business entity; a Federal, State, Tribal, or local government; or a nonprofit organization.
10. Pursuant to 40 C.F.R. § 745.81(a)(2)(ii), no firm may perform, offer, or claim to perform renovations without having obtained certification from the EPA under 40 C.F.R. § 745.89(a)(1), which requires firms that perform renovations for compensation to apply to the EPA for certification to perform renovations.
11. Pursuant to 40 C.F.R. § 745.89(b)(1)(iii), if a firm fails to obtain recertification before the firm's current certification expires, the firm must not perform renovations or dust sampling until it is certified anew pursuant to 40 C.F.R. § 745.89(a).
12. Pursuant to 40 C.F.R. § 745.86, firms performing renovations must retain, and, if requested, make them available to the EPA, all records to demonstrate compliance with Subpart E for a period of three years following completion of the renovation. Records that must be retained include, but are not limited to, documentation of compliance with the Work Practice Standards, including documentation demonstrating that a certified renovator was assigned to the project, warning signs were posted to the entrances of the work area, and the work area was contained in accordance with the requirements.
13. Pursuant to 40 C.F.R. § 745.87(b), failure or refusal to establish and maintain records or to make available or permit access to or copying of records, as required by Subpart E, is a violation of TSCA Sections 15 and 409, 15 U.S.C. § § 2614 and 2689.
14. Persons who violate 40 C.F.R. Part 745, Subpart E, are subject to civil penalties pursuant to Section 16 of TSCA, 15 U.S.C. § 2615, and 40 C.F.R. Part 19.

IV. FINDINGS OF FACTS

15. Respondent is, and was at all times relevant to this CAFO, a “firm” that performs “renovations” for compensation as those terms are defined at 40 C.F.R. § 745.83.
16. On December 13, 2022, pursuant to its authority under Section 11 of TSCA, 15 U.S.C. § 2610, an EPA inspector conducted an inspection of Respondent’s worksite located at 1208 Cecil Circle, Charleston, South Carolina 29412 (hereinafter “the Property”) where Respondent was in the process of conducting a “renovation,” as defined at 40 C.F.R. § 745.83, for compensation.
17. The Property was constructed before 1978 and is “target housing” as defined at 40 C.F.R. § 745.103.
18. Subsequent to the inspection, on February 10, 2023, the EPA received information from Respondent confirming that at the time the renovation work was being performed, Respondent had not obtained “firm certification” as required by 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

V. ALLEGED VIOLATIONS

19. The EPA alleges that at the time Respondent performed renovation work at the Property, Respondent had not applied for or obtained firm certification to perform, offer, or claim to perform renovations for compensation, in violation of 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

28. Pursuant to Section 16(a) of TSCA, 15 U.S.C. § 2615(a), 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
 - c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.
29. In addition to what is stated in the prior paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:
- a. refer the debt to a credit reporting agency or a collection agency (*see* 40 C.F.R. §§ 13.13 and 13.14);
 - b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
 - c. suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or
 - d. request that the Attorney General bring a civil action in the appropriate district court to recover the amount assessed, in addition to the amounts described above, pursuant to Section 16(a) of TSCA, 15 U.S.C. § 2615(a). In any such judicial action, the validity, amount, and appropriateness of the penalty and of this CAFO shall not be subject to review.
30. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF CAFO

31. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
32. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
33. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 16(a) of the Act, 42 U.S.C. § 2615(a), as well as criminal sanctions as provided in Section 16(b) of the Act, 42 U.S.C. § 2615(b). The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.
34. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, State, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, State, or local permit, except as expressly provided herein.
35. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
36. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
37. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
38. Any change in the legal status of Respondent, or change in ownership, partnership, corporate or legal status relating to the company, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
39. Any change in ownership, partnership, corporate, or legal status relating to the Property, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
40. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
41. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
42. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.

43. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
44. The EPA reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
45. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
46. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

47. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
