Public Notice: Proposed Settlement with Haddonstone (USA) Ltd for Clean Water Act Violations

Publish Date: July 27, 2026

Summary

EPA is providing notice of an opportunity for the public to comment on a proposed Settlement Agreement with an administrative civil penalty assessment against Haddonstone (USA) Ltd (Haddonstone). In the Settlement Agreement, EPA alleges Haddonstone discharged pollutants in stormwater into navigable waters without a permit, in violation of section 301(a) of the Clean Water Act (CWA) at its facility in Pueblo, Colorado.

How to Comment

Comments Due: August 26, 2026

Comments must include the commentor's name and complete mailing address as well as a statement that the comment submitter wishes to participate in any future proceedings in this matter.

Proposed Action

EPA alleges that Haddonstone violated the CWA section 301(a) by discharging stormwater runoff to the County of Pueblo's Municipal Separate Storm Sewer System (MS4) that flows to the Arkansas River without coverage under the Colorado Discharge Permit System (CDPS) Industrial Stormwater General Permit for Non-Extractive Industries (Permit) for its facility in Pueblo, Colorado. Under the proposed Settlement Agreement, Haddonstone has agreed to pay a civil administrative penalty of \$5,000 to resolve its civil penalty liability for these alleged violations.

The addresses of EPA and Haddonstone are listed below:

Complainant

EPA Region 8, 1595 Wynkoop Street, Denver, CO 80202-1129. EPA Region 8's NPDES and Wetlands Enforcement Section Supervisor is identified in the Settlement Agreement as the Complainant.

Respondent

Haddonstone (USA) Ltd, 32207 E United Avenue, Pueblo, CO 81001. Haddonstone is identified in the Settlement Agreement as the Respondent.

EPA is authorized in a Class I proceeding under Section 309(g)(2)(A) of the CWA, 33 U.S.C. § 1319(g)(2)(A), to issue an order assessing a civil administrative penalty for violations of the CWA and its implementing regulations, after providing:

1. an opportunity for the person to be assessed the penalty to request a hearing to contest the penalty, and

2. notification to the public of the proposed penalty and its rights to submit written comments and to participate in a Class I penalty proceeding (hearing), if any.

Public Comments

EPA encourages the public to comment on the proposed Settlement Agreement. The proposed Settlement Agreement will be available for public review for a comment period of 30 days after the publication of this notice. After the close of this comment period, EPA will, if appropriate in view of any comments received, file the proposed Settlement Agreement and seek entry of an order approving the Settlement Agreement. EPA expects to respond to any comments. The order, if any, would be issued at least ten (10) days after the close of the public comment period and at least forty (40) days after publication or posting of this notice, in accordance with 40 C.F.R. § 22.45(b) and (c)(3). The proposed Settlement Agreement is available for review by contacting the person listed in the **For Further Information** section, below.

For Further Information

Persons wishing to receive a copy of the Settlement Agreement, or other documents in this proceeding (including the regulations in 40 C.F.R. part 22, which establish procedures for any hearing), or to comment upon the proposed penalty assessment, should contact the Regional Hearing Clerk listed in the **How to Comment** box on this page.
