Re: Proposed Compliance Order, Penalty Complaint,  
and Notice of Opportunity for Hearing  
Docket No. **SDWA-08-2013-0051**

Dear Mr Castoe:

Enclosed is a Proposed Compliance Order, Penalty Complaint, and Notice Of Opportunity For Hearing (complaint) issued by the Environmental Protection Agency (EPA) as authorized by the Safe Drinking Water Act (SDWA), 42 U.S.C. § 300h-2. The document describes how you, as owner and/or operator of Concept Auto Body, have violated the SDWA and proposes both compliance requirements and the assessment of a civil penalty.

**However, if you fully comply with the compliance order requirements in a timely manner as set out in the complaint, the EPA will evaluate the civil penalty factors at 42 U.S.C. § 300h-2(c)(4)(B), and may settle this case without the assessment of a civil penalty, if appropriate.** Please note that there are deadlines in the complaint that must be followed. The complaint is effective upon the receipt date, and you have thirty (30) calendar days to file an answer to dispute the contents of the complaint.

If you have any technical questions, contact Britta Copt at the above address (with the mail code 8ENF-UFO), via email at [copt.britta@epa.gov](mailto:copt.britta@epa.gov), or by phone at (303) 312-6229. For legal questions, the attorney assigned to this matter is Eduardo Quintana, who can be reached at the above address (with the mail code 8ENF-L), via email at [quintana.eduardo@epa.gov](mailto:quintana.eduardo@epa.gov), or by phone at (303) 312-6924.

We urge your prompt attention to this matter.

Sincerely,

*for* 

Andrew M. Gaydosh  
Assistant Regional Administrator  
Office of Enforcement, Compliance  
and Environmental Justice

  )  
Respondent.                )

**PROPOSED COMPLIANCE ORDER,  
PENALTY COMPLAINT AND NOTICE OF  
OPPORTUNITY FOR HEARING**

**INTRODUCTION**

1. This Proposed Compliance Order, Penalty Complaint and Notice of Opportunity for Hearing (complaint) is authorized by Congress in section 1423 of the Public Health Service Act, commonly known as the Safe Drinking Water Act (the Act), 42 U.S.C. § 300h-2. The Environmental Protection Agency (EPA) regulations authorized by the statute are set out in part 144 of title 40 of the Code of Federal Regulations (C.F.R.), and violations of the statute, permits or EPA regulations constitute violations of the Act. The rules for this proceeding are the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders and the Revocation, Termination or Suspension of Permits ("Rules of Practice")," 40 C.F.R. Part 22, a copy of which is enclosed.

2. The undersigned EPA official has been properly delegated the authority to issue this complaint.

3. The EPA alleges that Concept Auto Body (Respondent) has violated the regulations and therefore the Act, as more fully explained below.

**NOTICE OF OPPORTUNITY FOR A HEARING**

4. Respondent has the right to a public hearing before a presiding officer within the Agency to (1) disagree with any fact alleged by the EPA in the complaint, (2) state the grounds for any legal defense or (3) disagree with the appropriateness of the proposed penalty.

5. To disagree with the complaint and assert Respondent's right to a hearing, Respondent must file a written answer (and one copy) with the Regional Hearing Clerk (1595 Wynkoop Street (8RC); Denver, Colorado 80202) within thirty (30) calendar days of receiving this complaint. The answer must clearly admit, deny or explain the factual allegations of the complaint, the grounds for any defense, the facts Respondent may dispute, and Respondent's specific request for a public hearing. Please see section 22.15 of the Rules of Practice for a complete description of what must be in the answer. **FAILURE TO FILE AN ANSWER AND**

**REQUEST A HEARING WITHIN THIRTY (30) CALENDAR DAYS MAY WAIVE RESPONDENT'S RIGHT TO DISAGREE WITH THE ALLEGATIONS OR PROPOSED PENALTY, AND RESULT IN A DEFAULT JUDGMENT AND ASSESSMENT OF PENALTY UP TO THE MAXIMUM AUTHORIZED BY THE ACT.**

### **SETTLEMENT NEGOTIATIONS**

6. The EPA encourages discussing whether cases can be settled through informal settlement conferences. If Respondent wants to pursue the possibility of settling this matter, or has any other questions, contact Eduardo Quintana, Enforcement Attorney, at (303) 312-6924 or at the following address:

Eduardo Quintana (Mail Code 8ENF-L)  
U.S. EPA Region 8  
1595 Wynkoop Street  
Denver, Colorado 80202

**Please note that calling Mr. Quintana or requesting a settlement conference does NOT delay the running of the thirty (30) day period for filing an answer and requesting a hearing.**

### **GENERAL ALLEGATIONS**

The following general allegations apply to all times relevant to this action and to each violation alleged in this complaint:

7. Respondent is a "person" as defined in the Act, and is therefore subject to the requirements of the statute and/or regulations. 42 U.S.C. § 300f (12).

8. Respondent owns and/or operates the facility known as Concept Auto Body located at 1314 Highway 65, Eckert, Colorado ("facility").

9. On October 26, 2010, authorized EPA employees entered the facility, with consent, to inspect it for compliance with the law. This inspection showed that the facility operates a motor vehicle paint shop with four floor drains that could receive fluids from vehicular painting, repair or maintenance activities.

10. On July 18, 2012, an EPA employee contacted Bob Castoe, owner of Concept Auto Body, to discuss where the four floor drains in the paint shop lead. Mr. Castoe confirmed that all four floor drains flow into a sand/grease trap that is connected to a septic system.

11. Based on the inspection and conversation described above, Respondent owns and/or operates a Class V Motor Vehicle Waste Disposal Well.

12. Respondent's disposal system, as identified in the inspection above, is classified as a "Class V Injection Well" as defined by 40 C.F.R. §§ 144.6, 144.81, and 146.5. Respondent is subject to applicable requirements of 40 C.F.R. §§ 124, 144 and 146.

13. Lying beneath Respondent's disposal well are underground sources of drinking water (USDWs), including but not limited to, the Piceance Basin Aquifer.

14. Respondent is in violation of:

(a) 40 C.F.R. §§ 144.12(a) and 144.82(a)(1) by owning, operating or maintaining a Class V disposal well which, through injection activity, allows the movement of fluid containing any contaminant into underground sources of drinking water, if the presence of that contaminant may cause a violation of any primary drinking water regulation or may otherwise adversely affect the health of persons; and

(b) 40 C.F.R. § 144.88(b) for operating a motor vehicle waste disposal well after the January 1, 2007 ban of all motor vehicle waste disposal wells.

Respondent's operation of the well is in violation of the EPA regulations and Respondent is therefore in violation of the Act, 42 U.S.C. § 300h-2 (c)(1).

#### **PROPOSED COMPLIANCE ORDER**

15. Respondent shall:

(a) within thirty (30) calendar days of Respondent's receipt of this complaint, submit to the EPA, in writing, a schedule for permanently closing the disposal well in the vehicle painting area, and a plan for alternative disposal of the waste. If the closure includes the use of a self-contained holding tank, the plan must address the specific type, specifications and size of tank to be installed. The EPA will promptly review the proposed plan and either approve it or provide Respondent with written comments;

(b) within sixty (60) calendar days of the receipt of this complaint, permanently close the disposal well; and

(c) within thirty (30) calendar days of completing this work, provide the EPA with subsequent documentation of the closure.

16. Respondent shall submit all documentation to:

Britta Copt (Mail Code 8ENF-UFO)  
U.S. EPA Region 8  
1595 Wynkoop Street  
Denver, Colorado 80202

## PROPOSED CIVIL PENALTY

17. For an administrative proceeding, the Act authorizes the assessment of a civil penalty of up to \$16,000 per day, for each violation of the Act, up to a maximum of \$177,500. 42 U.S.C. § 300h-2 (c)(1). The Act requires the EPA to take into account appropriate factors in assessing a civil penalty, including the seriousness of the violations, the economic benefit resulting from the violations, any history of such violations, any good-faith efforts to comply with the requirements, the economic impact on the violator, and such other matters as justice may require.

18. As required by the Act, prior to the assessment of a civil penalty, the EPA will provide public notice of the proposed penalty, and reasonable opportunity for the public to comment on the matter and present evidence in the event a hearing is held 42 U.S.C. § 300h-2 (c)(3)(B).

**U.S. ENVIRONMENTAL PROTECTION AGENCY  
PUBLIC NOTICE  
OPPORTUNITY FOR PUBLIC COMMENT ON  
PROPOSED COMPLIANCE ORDER, PENALTY COMPLAINT,  
AND  
NOTICE OF OPPORTUNITY FOR HEARING  
AGAINST  
CONCEPT AUTO BODY  
FOR FAILURE TO COMPLY WITH  
UNDERGROUND INJECTION CONTROL REGULATIONS**

**PURPOSE OF PUBLIC NOTICE**

The purpose of this notice is to solicit written comments on a Proposed Compliance Order, Penalty Complaint, and Notice of Opportunity for Hearing (complaint) [Docket No. SDWA-08-2013- **0051** ] that Region 8 of the United States Environmental Protection Agency (EPA) proposes to issue to Concept Auto Body for alleged violations at the facility located in Eckert, Colorado. The complaint alleges violations of the Safe Drinking Water Act (SDWA) and the regulations detailing the requirements of the SDWA's Underground Injection Control (UIC) program. These regulations govern the injection of fluids that may endanger an underground source of drinking water (USDW). The complaint proposes compliance requirements and monetary penalties for the alleged violations.

The EPA desires to receive written comments from any interested party having knowledge of the alleged violations or who can provide any information useful to ensure that the complaint is appropriate. The EPA will review and consider all comments received, and will thereafter determine whether to modify or withdraw the complaint.

**BACKGROUND**

Part C of the SDWA (40 U.S.C. §300h *et seq.*) requires the EPA to regulate underground injection of fluid through wells to assure that underground sources of drinking water (USDWs) are not endangered. Section 1421 of the SDWA (40 U.S.C. §300h) requires the EPA to administer UIC programs in States that do not have approved State UIC programs. Regulation of the UIC Class V Program has not been delegated to the State of Colorado; therefore, the EPA administers the program in accordance with title 40 of the Code of Federal Regulations (40 C.F.R.) parts 124, 144, 146, 147, and 148.

The Class V motor vehicle waste disposal well which is the subject of this complaint, is located at 1314 Highway 65, Eckert, Colorado. A Class V injection well, pursuant to 40 C.F.R. §§ 144.6 and 146.5, is a shallow injection well that injects fluids into or above a USDW.

The complaint alleges that Concept Auto Body is in violation of UIC regulations and is subject to appropriate penalties for failing to prevent movement of fluids into a USDW that may cause a violation of a primary drinking water regulation under 40 C.F.R. part 142 or otherwise adversely affect the health

of persons and operating a banned well. The complaint cites that the EPA may assess an administrative civil penalty of up to \$16,000 per day, for each violation of the Act, up to a maximum of \$177,500 and proposes certain compliance measures, including the permanent closure of the well.

### **PUBLIC COMMENTS**

Written comments on the complaint are encouraged and will be accepted at the address listed below for a period of thirty (30) calendar days after the publication of this notice. Written comments submitted by the public as well as information submitted by Concept Auto Body, will be available for public review, subject to the provisions of law restricting the disclosure of confidential information. Should Concept Auto Body request a hearing, any person submitting written comments will be notified of and has a right to participate in such a hearing. The complaint is available for review between 9:00 a.m. and 4:00 p.m. at the address listed below. It is recommended that those wishing to view the complaint call Eduardo Quintana, Enforcement Attorney, Legal Enforcement Program, EPA Region 8, at (303) 312-6924 before visiting the EPA Region 8 offices. Please submit written comments to:

Tina Artemis (8RC)  
Regional Hearing Clerk  
U.S. EPA, Region 8  
1595 Wynkoop Street  
Denver, Colorado 80202

Any person interested in receiving their own copy of this or any future public notice of a UIC administrative action can call Britta Copt in the UIC program, EPA Region 8, at (303) 312-6229.

### **THE DECISION**

The EPA will review and consider all public comments received on the public notice and will thereafter determine whether to modify or withdraw the complaint. If the complaint is revised, copies shall be provided to all parties and to all members of the public who have commented.

Darcy O'Connor, Director  
UIC/FIERA/OPA Technical Enforcement Program  
U.S. EPA, Region 8  
1595 Wynkoop Street  
Denver, CO 80202

approve or disapprove the State issued statement, in accordance with the requirements of §21.5.

(2) The Regional Administrator will periodically review State program performance. In the event of State program deficiencies the Regional Administrator will notify the State of such deficiencies.

(3) During that period that any State's program is classified as deficient, statements issued by a State shall also be sent to the Regional Administrator for review. The Regional Administrator shall notify the State, the applicant, and the SBA of any determination subsequently made, in accordance with §21.5, on any such statement.

(i) If within 60 days after notice of such deficiencies has been provided, the State has not taken corrective efforts, and if the deficiencies significantly affect the conduct of the program, the Regional Administrator, after sufficient notice has been provided to the Regional Director of SBA, shall withdraw the approval of the State program.

(ii) Any State whose program is withdrawn and whose deficiencies have been corrected may later reapply as provided in §21.12(a).

(g) Funds appropriated under section 106 of the Act may be utilized by a State agency authorized to receive such funds in conducting this program.

#### **§21.13 Effect of certification upon authority to enforce applicable standards.**

The certification by EPA or a State for SBA Loan purposes in no way constitutes a determination by EPA or the State that the facilities certified (a) will be constructed within the time specified by an applicable standard or (b) will be constructed and installed in accordance with the plans and specifications submitted in the application, will be operated and maintained properly, or will be applied to process wastes which are the same as described in the application. The certification in no way constitutes a waiver by EPA or a State of its authority to take appropriate enforcement action against the owner or operator of such facilities for violations of an applicable standard.

## **PART 22—CONSOLIDATED RULES OF PRACTICE GOVERNING THE ADMINISTRATIVE ASSESSMENT OF CIVIL PENALTIES AND THE REVOCATION/TERMINATION OR SUSPENSION OF PERMITS**

### **Subpart A—General**

- Sec.
- 22.1 Scope of this part.
- 22.2 Use of number and gender.
- 22.3 Definitions.
- 22.4 Powers and duties of the Environmental Appeals Board, Regional Judicial Officer and Presiding Officer; disqualification, withdrawal, and reassignment.
- 22.5 Filing, service, and form of all filed documents; business confidentiality claims.
- 22.6 Filing and service of rulings, orders and decisions.
- 22.7 Computation and extension of time.
- 22.8 *Ex parte* discussion of proceeding.
- 22.9 Examination of documents filed.

### **Subpart B—Parties and Appearances**

- 22.10 Appearances.
- 22.11 Intervention and non-party briefs.
- 22.12 Consolidation and severance.

### **Subpart C—Prehearing Procedures**

- 22.13 Commencement of a proceeding.
- 22.14 Complaint.
- 22.15 Answer to the complaint.
- 22.16 Motions.
- 22.17 Default.
- 22.18 Quick resolution; settlement; alternative dispute resolution.
- 22.19 Prehearing information exchange; prehearing conference; other discovery.
- 22.20 Accelerated decision; decision to dismiss.

### **Subpart D—Hearing Procedures**

- 22.21 Assignment of Presiding Officer; scheduling the hearing.
- 22.22 Evidence.
- 22.23 Objections and offers of proof.
- 22.24 Burden of presentation; burden of persuasion; preponderance of the evidence standard.
- 22.25 Filing the transcript.
- 22.26 Proposed findings, conclusions, and order.

### **Subpart E—Initial Decision and Motion to Reopen a Hearing**

- 22.27 Initial decision.
- 22.28 Motion to reopen a hearing.

## U.S. EPA Small Business Resources Information Sheet

The United States Environmental Protection Agency provides an array of resources, including workshops, training sessions, hotlines, websites and guides, to help small businesses understand and comply with federal and state environmental laws. In addition to helping small businesses understand their environmental obligations and improve compliance, these resources will also help such businesses find cost-effective ways to comply through pollution prevention techniques and innovative technologies.
