**ORDER GRANTING
EXTENSION OF TIME TO FILE
ANSWER**

By **MOTION** dated, November 8, 2010, through Complainant's attorney, Marc Weiner, a request for an **EXTENSION OF RESPONSE DEADLINE OF 60 DAYS** to and including January 11, 2011, was filed. The Motion was made on behalf of the Respondent.

Pursuant to 40 C.F.R. § 22.7(b) an extension of time can be granted by the Presiding Officer upon timely motion and good cause shown. The Motion states the parties wish to fully explore settlement. Based on the diligence of the parties to submit a Motion, I am willing to agree to an extension of time. Please note that any future requests for an extension to file an Answer must contain more than "exploring settlement" as a basis for showing good cause for an extension of time. Filing an Answer does not preclude the parties from continuing with settlement discussions.

Accordingly, the Motion for Extension of Time for Respondent to File its Answer is hereby granted pursuant to Section 22.16 of the Consolidated Rules of Practice.

SO ORDERED THIS 9th OF November, 2010.
