Re: In the Matter of Donjon Marine Co., Inc.
Docket No. MPRSA-02-2025-6001

Dear Ms. Friedman:

On behalf of Donjon Marine Co., Inc. ("Donjon"), in the above-referenced action, I am writing to respectfully request an additional 45-day extension of time to file an Answer and a Hearing Request, which currently is due by August 4, 2025. As such, the new requested deadline to respond would be September 18, 2025.

The parties are continuing to make progress in resolving this matter and believe they are getting closer to settlement. However, as we will require some additional time to continue these negotiations, Donjon wishes to preserve its right to file an Answer and Hearing Request. As such, Donjon respectfully submits that good cause exists for this request. We have discussed this matter with counsel for EPA, and they have consented to Donjon's request for the extension.

Please do not hesitate to contact me should you have any questions.

Very truly yours,

GAIL H. CONENELLO
