Docket No. CWA-08-2007-0019

Dear Mr. Brownlee:

The U.S. Environmental Protection Agency (EPA) has reviewed your most recent Annual Monitoring Report, dated December 7, 2011, for the Wetland Restoration Project near Watertown, SD. The EPA has determined that you have satisfactorily completed all of the requirements of the Administrative Compliance Order (Order) issued to you on September 10, 2007. Accordingly, this Order is now considered closed. Please be advised that closure of this Order does not relieve or change your obligation to comply with the Clean Water Act and all other applicable federal, state, and local laws.

If you have any technical questions regarding this matter, the most knowledgeable person on my staff is Kenneth Champagne, Section 404 Enforcement Officer, who can be reached at (303) 312-6608. For any legal questions, please contact Wendy Silver, Senior Enforcement Attorney, at (303) 312-6637. Thank you for your timely completion of the requirements of the Order.

Sincerely,
