Re: In the Matter of Man Li Trading, Inc.

Docket No. FIFRA-02-2012-5206

Dear Mr. Jin Cheng Deng:

Enclosed is the Complaint and Notice of Opportunity for Hearing and supporting documents, in the above-referenced proceeding. This Complaint alleges violations of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

You have the right to a formal hearing to contest any of the allegations in the Complaint and/or to contest the penalty proposed in the Complaint.

If you wish to contest the allegations or the penalty proposed in the Complaint, you must file an Answer, within *thirty (30) days* of your receipt of the enclosed Complaint, to the United States Environmental Protection Agency (EPA) Regional Hearing Clerk at the following address:

Regional Hearing Clerk U.S. Environmental Protection Agency, Region 2 290 Broadway, 16th Floor New York, NY 10007-1866

If you do not file an Answer within thirty (30) days of receipt of this Complaint and have not obtained a formal extension for filing an Answer from the Regional Judicial Officer, a default order may be entered against you, and the entire proposed penalty may be assessed without further proceedings.

Whether or not you request a formal hearing, you may request an informal conference with EPA to discuss any issues relating to the alleged violations and the amount of the proposed penalty. EPA encourages all parties against whom it files a Complaint to pursue the possibility of a settlement by participating in an informal conference with EPA. However, a request for an informal conference *does not* substitute for a written Answer, affect what you may choose to say in a written Answer, or extend the thirty (30) days by which you must file an Answer to request a hearing.

Enclosed are copies of the Consolidated Rules of Practice, which govern this proceeding. For your general information and use, I also have enclosed both an Information Sheet for U.S. EPA Small Business Resources and a Notice of Security and Exchange Commission Registrants' Duty to Disclose Environmental Legal Proceedings, which may or may not apply to you.

The EPA encourages the use of Supplemental Environmental Projects (SEPs), where appropriate, as part of any settlement. I am enclosing a brochure on EPA's SEP Policy. Please note that SEPs are only available as part of a negotiated settlement and will not be available if this case is resolved by formal adjudication.

If you have any questions or wish to schedule an informal settlement conference, please contact the attorney whose name is listed in the Complaint.

Sincerely yours,

Dore LaPosta, Director

Division of Enforcement and Compliance Assistance

PROPOSED CIVIL PENALTY

The proposed civil penalty has been determined in accordance with Section 14(a) of FIFRA, 7 U.S.C. § 136*l*(a), as amended, which authorizes the assessment of a civil penalty of up to \$5,000 for each violation of "any provision of" subchapter II of FIFRA, 7 U.S.C. §§ 136-136y. The statutory maximum assessment per violation was raised to \$6,500 for the period March 15, 2004 through January 12, 2009. Effective after January 12, 2009, the statutory maximum is raised to \$7,500.

For purposes of determining the amount of any penalty to be assessed, Section 14 of FIFRA requires that EPA "shall consider the appropriateness of such penalty to the size of the business of the person charged, the effect on the person's ability to continue in business, and the gravity of the violation." Section 14(a)(4) of FIFRA, 7 U.S.C. § 136*l*(a)(4).

To develop the proposed penalty in this Complaint, Complainant has taken into account the particular facts and circumstances of this case, to the extent known at the time of its filing, with specific reference to EPA's "FIFRA Enforcement Response Policy [for] The Federal Insecticide, Fungicide and Rodenticide Act," dated December 2009 (hereinafter referred to as the "ERP"). This guidance policy provides rational, consistent and equitable calculation methodologies for applying the statutory penalty criteria enumerated above to particular cases. A copy of the ERP is available upon request or may be obtained from the Internet at this address: http://cfpub.epa.gov/compliance/resources/policies/civil/fifra

Complainant proposes, subject to receipt and evaluation of further relevant information that Respondent be assessed the following civil penalties for the violations alleged in this Complaint:

Sale/distribution of unregistered pesticide products	
4 Counts @ \$7,500 per violation	\$30,000
Sale/distribution of misbranded pesticide products	,
4 Counts @ \$5,670 per violation	\$22,680
	·
Total (rounded to the nearest \$100)	\$52,700

PROCEDURES GOVERNING THIS ADMINISTRATIVE LITIGATION

The rules of procedure governing this civil administrative litigation have been set forth in 64 Fed. Reg. 40138 (July 23, 1999), entitled, "CONSOLIDATED RULES OF PRACTICE GOVERNING THE ADMINISTRATIVE ASSESSMENTS OF CIVIL PENALTIES, ISSUANCE OF COMPLIANCE OR CORRECTIVE ACTION ORDERS, AND THE REVOCATION, TERMINATION OR SUSPENSION OF PERMITS", and are codified at 40 C.F.R. Part 22 (2010). A copy of these rules accompanies this "Complaint and Notice of Opportunity for Hearing" (hereinafter referred to as the "Complaint").

A. Answering the Complaint

Where Respondent intends to contest any material fact upon which the Complaint is based, to contend that the proposed penalty is inappropriate or to contend that Respondent is entitled to judgment as a matter of law, Respondent must file with the Regional Hearing Clerk of EPA, Region 2, both an original and one copy of a written Answer to the Complaint. (40 C.F.R. 22.15(a)) An Answer must be filed within 30 days after service of a Complaint. The address of the Regional Hearing Clerk of EPA, Region 2, is:

Regional Hearing Clerk U.S. Environmental Protection Agency, Region 2 290 Broadway, 16th floor New York, NY 10007-1866

Respondent shall also then serve one copy of the Answer to the Complaint upon Complainant and any other party to the action. (40 C.F.R. § 22.15(a)).

Respondent's Answer to the Complaint must clearly and directly admit, deny, or explain each of the factual allegations that are contained in the Complaint and with regard to which Respondent has any knowledge (40 C.F.R. § 22.15(b)). Where Respondent lacks knowledge of a particular factual allegation and so states in its Answer, the allegation is deemed denied. (40 C.F.R. § 22.15(b)) The Answer shall also set forth: (1) the circumstances or arguments that are alleged to constitute the grounds of defense, (2) the facts that Respondent disputes (and thus intends to place at issue in the proceeding), and (3) whether Respondent requests a hearing (40 C.F.R. § 22.15(b)).

Respondent's failure affirmatively to raise in the Answer facts that constitute or that might constitute the grounds of its defense may preclude Respondent, at a subsequent stage in this proceeding, from raising such facts and/or from having such facts admitted into evidence at a hearing.

B. Opportunity to Request a Hearing

If requested by Respondent in its Answer, a hearing upon the issues raised by the Complaint and Answer may be held (40 C.F.R. § 22.15(c)). If, however, Respondent does not request a hearing, the Presiding Officer (as defined in 40 C.F.R. § 22.3) may hold a hearing if the Answer raises issues appropriate for adjudication. (40 C.F.R. § 22.15(c))

Any hearing in this proceeding will be held at a location determined in accordance with 40 C.F.R. § 22.35(b). A hearing of this matter will be conducted in accordance with the applicable provisions of the Administrative Procedure Act, 5 U.S.C. §§ 551-59, and the procedures set forth in Subpart D of 40 C.F.R. Part 22.

C. Failure to Answer

If Respondent fails in its Answer to admit, deny, or explain any material factual allegation contained in the Complaint, such failure constitutes an admission of the allegation (40 C.F.R. § 22.15(d)). If Respondent fails to file a timely (i.e., in accordance with the 30-day period set forth in 40 C.F.R. § 22.15(a)) Answer to the Complaint, Respondent may be found in default upon motion (40 C.F.R. § 22.17). Default by Respondent constitutes, for purposes of the pending proceeding only, an admission of all facts alleged in the Complaint (40 C.F.R. § 22.17(a)). Following a default by Respondent for a failure to timely file an Answer to the Complaint, any order issued therefore shall be issued pursuant to 40 C.F.R. § 22.17(c).

Any penalty assessed in the default order shall become due and payable by Respondent without further proceedings 30 days after the default order becomes final pursuant to 40 C.F.R. § 22.27(c) (40 C.F.R. § 22.17(d)). If necessary, EPA may then seek to enforce such final order of default against Respondent, and to collect the assessed penalty amount, in Federal court.

D. Exhaustion of Administrative Remedies

Where Respondent fails to appeal an adverse initial decision to the Environmental Appeals Board pursuant to 40 C.F.R. § 22.30, and that initial decision thereby becomes a final order pursuant to the terms of 40 C.F.R. § 22.27(c), Respondent waives its right to judicial review (40 C.F.R. § 22.27(d)).

In order to appeal an initial decision to the Agency's Environmental Appeals Board [EAB; see 40 C.F.R. § 1.25(e)], Respondent must do so within 30 days after the initial decision is served (40 C.F.R. § 22.30(a)). Pursuant to 40 C.F.R. § 22.7(c), where service is effected by mail, five days shall be added to the time allowed by these [rules] for the filing of a responsive document. Note that the 45-day period provided for in 40 C.F.R. § 22.27(c) (discussing when an initial decision becomes a final order) does not pertain to or extend the time period prescribed in 40 C.F.R. § 22.30(a) for a party to file an appeal to the EAB of an adverse initial decision.

INFORMAL SETTLEMENT CONFERENCE

Whether or not Respondent requests a formal hearing, EPA encourages settlement of this proceeding consistent with the provisions of the Act and its applicable regulations

(40 C.F.R. § 22.18(b)). At an informal conference with representative(s) of Complainant, Respondent may comment on the charges made in this Complaint, and Respondent may also provide whatever additional information that it believes is relevant to the disposition of this matter, including: (1) actions Respondent has taken to correct any or all of the violations herein alleged, (2) any information relevant to Complainant's calculation of the proposed penalty, (3) the effect the proposed penalty would have on Respondent's ability to continue in business, and (4) any other special facts or circumstances Respondent wishes to raise.

Complainant has the authority to modify the amount of the proposed penalty, where appropriate, to reflect any settlement agreement reached with Respondent or any relevant information previously not known to Complainant, or to dismiss any or all of the charges if Respondent can demonstrate that the relevant allegations are without merit and that no cause of action as herein alleged exists. Respondent is referred to 40 C.F.R. § 22.18.

Any request for an informal conference or any questions that Respondent may have regarding this complaint should be directed to:

Bruce Aber, Assistant Regional Counsel
U.S. Environmental Protection Agency, Region 2
290 Broadway, 16th floor
New York, NY 10007-1866
212-637-3224
Aber.Bruce@epa.gov

The parties may engage in settlement discussions irrespective of whether Respondent has requested a hearing (40 C.F.R. § 22.18(b)(1)). Respondent's requesting a formal hearing does not prevent it from also requesting an informal settlement conference; the informal conference procedure may be pursued simultaneously with the formal adjudicatory hearing procedure. A request for an informal settlement conference constitutes neither an admission nor a denial of any of the matters alleged in the Complaint. Complainant does not deem a request for an informal settlement conference as a request for a hearing as specified in 40 C.F.R. §22.15(c).

A request for an informal settlement conference does not affect Respondent's obligation to file a timely Answer to the Complaint pursuant to 40 C.F.R. § 22.15. No penalty reduction, however, will be made simply because an informal settlement conference is held.

Any settlement that may be reached as a result of an informal settlement conference shall be embodied in a written consent agreement (40 C.F.R. § 22.18(b)(2)). In accepting the Consent Agreement, Respondent waives its right to contest the allegations in the Complaint and waives its right to appeal the Final Order that is to accompany the Consent Agreement (40 C.F.R. § 22.18(b)(2)). In order to conclude the proceeding, a Final Order ratifying the parties' agreement to settle will be executed (40 C.F.R. § 22.18(b)(3)).

Respondent's entering into a settlement through the signing of such Consent Agreement and its complying with the terms and conditions set forth in the Consent Agreement terminates this administrative litigation and civil proceedings arising out of the allegations made in the

Complaint. Respondent's entering into a settlement does not extinguish, waive, satisfy or otherwise affect its obligation and responsibility to comply with all applicable statutory and regulatory requirements, and to maintain such compliance.

RESOLUTION OF THIS PROCEEDING WITHOUT HEARING OR CONFERENCE

Instead of filing an Answer, Respondent may choose to pay the total amount of the proposed penalty within 30 days after receipt of the Complaint, provided that Respondent files with the Regional Hearing Clerk, Region 2 (at the New York address noted above), a copy of the check or other instrument of payment (40 C.F.R. § 22.18(a)). A copy should also be provided to the EPA Assistant Regional Counsel identified on the previous page. Such payment shall be made by cashier's or certified check or by electronic fund transfer (EFT). If the payment is made by check, then the check shall be made payable to the "Treasurer, United States of America," and shall be mailed to:

U.S. Environmental Protection Agency Fines and Penalties Cincinnati Finance Center P.O. Box 979077 St. Louis, MO 63197-9000

The check shall be identified with a notation listing the name of the matter (In the Matter of Man Li Trading, Inc.) and the Docket Number (FIFRA-02-2012-5206).

If Respondent chooses to make the payment by EFT, then Respondent shall provide the following information to its remitter bank:

- 1) Amount of Payment
- 2) SWIFT address: FRNYUS33, 33 Liberty Street, New York, NY 10045
- 3) Account Code for Federal Reserve Bank of New York receiving payment: 68010727
- 4) Federal Reserve Bank of New York ABA routing number: 021030004
- 5) Field Tag 4200 of the Fedwire message should read "D 68010727 Environmental Protection Agency"
- 6) Man Li Trading, Inc.
- 7) Case Number: FIFRA-02-2012-5206

Pursuant to 40 C.F.R. § 22.18(a)(3), if Respondent elects to pay the full amount of the penalty proposed in the Complaint within 30 days of receiving the Complaint, then, upon EPA's receipt of such payment, the Regional Administrator of EPA, Region 2 (or, if designated, the Regional Judicial Officer), shall issue a Final Order. Issuance of this Final Order terminates this administrative litigation and the civil proceedings arising out of the allegations made in the Complaint. Further, pursuant to 40 C.F.R. § 22.18(a)(3), the making of such payment by Respondent shall constitute a waiver of Respondent's right both to contest the allegations made

in the Complaint and to appeal said Final Order to Federal court. Such payment does not extinguish, waive, satisfy or otherwise affect Respondent's obligation and responsibility to comply with all applicable regulations and requirements, and to maintain such compliance.
