Re: Complaint and Notice of
Opportunity for Hearing
Docket No. SDWA-08-2007-0089

I was out of town on business when my wife signed for the certified mail from the EPA in late September. I now have prior commitments and will be out of state October 7th through October 22nd. Because of these other commitments, and the details of leaving my business with new employees while I'm gone, I respectfully ask for an extension of time in asking for the opportunity for a hearing. Thirty days would be very helpful. November 24th, 2007.

A hard copy will follow in the mail.
