Re: San Jacinto River Waste Pits Superfund Site, Northern Impoundments and San Separation Area, Harris County, Texas; SSID No. 06ZQ; EPA ID No. TXN000606611; CERCLA Docket No. 06-03-26 (the "Site")
Request for Conference

Dear Ms. Foster,

McGinnes Industrial Maintenance Corporation ("MIMC") and International Paper Company ("IPC", together "Respondents"), hereby submit their request for conference pursuant to Paragraph 75 of the Unilateral Administrative Order for Remedial Action of the Northern Impoundments and Sand Separation Area for the Site, signed by the Regional Administrator on April 28, 2026.

Respondents propose to hold the conference on May 14, 2026, with some participants attending in-person at EPA's Region 6 Office and some attending remotely via web meeting. Please confirm the conference schedule with the undersigned as soon as possible so that our participants can make travel arrangements.

Sincerely,

N. Tobias Smith
