Re: Closure of Administrative Order for Compliance under Section 309(a) of the Clean Water Act, Docket No. CWA-08-2015-0018

Dear Mr. Paddleford:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA's) decision to close the Administrative Order for Compliance (Order), Docket No. CWA-08-2015-0018, issued to Eagle Bronze, Inc. (Eagle Bronze) on June 11, 2015. On September 27, 2020, the EPA issued a Notification of Non-Significant Categorical Industrial User Requirements (Notice) to Eagle Bronze with specific pretreatment requirements. The Notice captures ongoing requirements applicable to Eagle Bronze, rendering the Order unnecessary.

Please be aware that Eagle Bronze is still required to comply with the Clean Water Act (Act) and its implementing regulations, including the Notice. Violations of the Act or its implementing regulations may result in a court-imposed injunction and/or penalty of up to \$55,800 per day for each violation.

If you have any questions regarding this letter or any other matters pertinent to compliance with the Act, you may contact Emilio Llamozas, Technical Enforcement, at (303) 312-6407 or llamozas.emilio@epa.gov. Any questions from counsel should be directed to Abigail Dean, Senior Assistant Regional Counsel, at (303) 312-6106 or dean.abigail@epa.gov.

Thank you for your cooperation and assistance in resolving this matter.

Sincerely,
**MICHAEL
