Proceeding pursuant to §309(g) of the
Clean Water Act, 33 U.S.C. §1319(g)

**CONSENT AGREEMENT AND
FINAL ORDER**

Docket No. CWA-02-2016-3303

I. PRELIMINARY STATEMENT

The Complainant in this proceeding, the Director of the Division of Enforcement and Compliance Assistance, Region 2, United States Environmental Protection Agency ("EPA" or "Complainant"), issued a "Complaint, Findings of Violation, Notice of Proposed Assessment of a Civil Penalty and Notice of Opportunity to Request a Hearing" ("Complaint") to Respondents, Ducommun Incorporated ("Ducommun"), d/b/a Ducommun AeroStructures New York, Inc. ("Respondents") on October 15, 2015. However, since the issuance of the Complaint, on January 22, 2016, Ducommun's duly authorized representatives provided Complainant with significant new information, and documented evidence in the form of a certified statement to support its assertion that Ducommun Incorporated is not responsible for the day-to-day operations of the facility and is not doing business as Ducommun AeroStructures New York, Inc. Ducommun further asserted that Ducommun AeroStructures New York, Inc. is a separate subsidiary of Ducommun Incorporated, and is solely responsible for the day-to-day operations of Ducommun AeroStructures New York, Inc.'s facility located in Coxsackie, New York, which is the subject facility listed in the Complaint. Upon Complainant's review of said documentation, Complainant finds that Ducommun's assertion is credible. Complainant further finds that the subject of this action is Ducommun AeroStructures New York, Inc. ("Respondent" or "DAS NY"); and

Complainant and Respondent (collectively, "the Parties"), having agreed that settlement of this matter is in the public interest, and that entry of this Consent Agreement and Final Order ("CA/FO" or "Agreement") without further litigation is the most appropriate means of resolving this matter;

NOW, THEREFORE, before the taking of any testimony, upon the pleadings, without adjudication of any issue of fact or law, and upon consent and agreement of the Parties, it is hereby Ordered and Adjudged as follows:

II. PROCEDURAL AND FACTUAL FINDINGS

1. The following Procedural and Factual Findings are made pursuant to the authority vested in the Administrator of the EPA by the Clean Water Act, 33 U.S.C. §1251 *et. seq.* (“Act”), which authority has been duly delegated to the Regional Administrator of EPA Region 2, and since further re-delegated to the Director, Division of Enforcement and Compliance Assistance, EPA Region 2.
2. EPA is concluding this proceeding for the assessment of a civil penalty, pursuant to Section 309(g) of the Act, 33 U.S.C. §1319(g), and 40 C.F.R. §22.18(b)(2) and (3) of the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits” (“CROP”), which sets forth procedures for conclusion of administrative civil penalty assessment proceedings through issuance of a consent agreement and final order.
3. EPA initiated this proceeding to achieve compliance with the Act pursuant to Section 309(g)(2)(A) of the Act, 33 U.S.C. §1319(g)(2)(A).
4. The Complaint alleges violations of Sections 307 and 308 of the Act for failure to meet the General Pretreatment Regulation requirements at Respondent’s facility located at 2 Flint Mine Road, Coxsackie, New York, 12051 where it owns and operates, among other things, metal finishing operations. Specifically, Respondent is in violation of the requirements at 40 C.F.R. §403.12(e) by failing to submit the required Periodic Reports on Continued Compliance and sample for the parameters set forth in the Pretreatment Regulations.
5. This action was public noticed between 11/12/2015 and 12/14/2015.
No comments were filed.
6. Respondent has not filed an Answer or requested a hearing pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (CROP) as set forth at 40 C.F.R. Part 22.
7. Respondent stipulates that EPA has jurisdiction over the subject matter alleged in the Complaint.
8. Respondent waives any defenses it might have as to jurisdiction and venue, and, without admitting or denying the factual allegations contained in the Complaint, consents to the terms of this CA/FO.
9. Respondent hereby waives its right to a judicial or administrative hearing or appeal on any issue of law or fact set forth in the Complaint.

III. CONSENT AGREEMENT

1. The Paragraphs above are re-alleged and incorporated herein by reference.
2. EPA and Respondent agree that it is in the public interest to resolve the issues alleged in this Consent Agreement without further litigation and the expense and effort that litigation entails.

Based upon the foregoing and pursuant to Section 309(g) of the Act, 33 U.S.C. §1319(g), and the CROP, it is hereby agreed by and between EPA and Respondents and Respondent voluntarily and knowingly agrees as follows:

Nothing in this CA/FO is intended to, nor shall be construed to, operate in any way to resolve any criminal liability of the Respondent. Compliance with this CA/FO shall not be a defense to any actions subsequently commenced pursuant to Federal laws and regulations administered by EPA, and it is the responsibility of Respondent to comply with such laws and regulations.
