Re: Notice of Violation and Compliance Order/Settlement Agreement for the City of Toledo Downtown Garage, 1189 Spielbusch & Southard Avenues Intersection, Toledo, Ohio ICIS # 3601450692
Docket Number: RUST-05-2023-0014

Dear Mr. Obrock:

On August 29, 2022, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations (i.e., failure to temporarily and permanently close substandard tanks) at the City of Toledo Downtown Garage, 1189 Spielbusch & Southard Avenues Intersection, Toledo, Ohio. The violations were identified during an EPA UST inspection conducted on August 7, 2022.

On February 7, 2023, EPA received your signed copy of the Settlement Agreement and on March 13, 2023, EPA received your payment of \$1980.00 (i.e., Transaction #274APECN), confirmed by our finance office. On May 24, 2023, the USTs were permanently removed. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,

Julie Morris
