Hi Ann,

Respondent consents to the modification per email from counsel below, which I will include in the record for the CAFO. Do you need anything further?

Respectfully,
Amanda

Hi Chris,

The RJO noticed a typo in the CAFO. Does your client consent to EPA modifying the CAFO as follows?:

“the reference to paragraph 18 in paragraph 19 should be to paragraph 17”

Thanks
Amanda

Amanda and Andrew,

I believe the reference to paragraph 18 in paragraph 19 should be to paragraph 17. If that is the case, and if the Respondent consents to you modifying the CAFO to make that correction after the date of its signature and you include it in the record for the settlement, then (for my purposes anyway) you do not need to go through the sign-off and signature process again.

Take care,

Ann
