ICIS ID# 3601741686  
Docket Number: RUST-05-2025-0002

Dear Mr. Hashmi:

On December 18, 2024, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the Hashmi Stop, Inc., facility located at 444 E New York Street, Aurora, Illinois. The violations were identified during an EPA UST inspection conducted on October 16, 2024.

On January 29, 2025, EPA received your signed copy of the Settlement Agreement and your supporting documentation that the violation has been corrected. Your payment of \$815.00 was confirmed by our finance office on February 5, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill at [hill.kevin@epa.gov](mailto:hill.kevin@epa.gov) or (312) 886-6087.

Sincerely,

Regional Hearing Clerk
