Re: Notice of Violation and Compliance Order/Settlement Agreement for National Block Company
ICIS ID# UST3601748175
Docket Number: RUST-05-2025-0006

Dear James Gilletly:

On February 7, 2025, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the National Block Company facility located at 39000 Ford Road, Westland, Michigan. The violations were identified during an EPA UST inspection conducted on December 3, 2024.

On February 24, 2025, EPA received your signed copy of the Settlement Agreement. On February 25, 2025, EPA received your supporting documentation that the violation has been corrected. Your payment of \$1,630 was confirmed by our finance office on February 27, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Derrick Samaranski at Samaranski.derrick@epa.gov or (312) 886-7812.

Sincerely,

Regional Hearing Clerk
United States Environmental Protection Agency
