U.S. EPA REGION 10
HEARING CLERK

Respondent: Kenworth Truck Company
EPA ID Number: WAD 988517934
Docket Number: RCRA-10-2025-0054

Penalty Calculation

Violations ¹	Penalty per occurrence	Number of occurrences	Non-Compliance History (×10%)	Total penalty for violation
1. WAC 173-303-800(2) (2014): Accumulation of dangerous waste without a permit or interim status	\$1,250	1	n/a	\$1,250
2. Failure to properly mark or label containers of dangerous waste				
2.a. WAC 173-303-630(3) (2014): Failure to mark containers with identifiers of the major risks (i.e., descriptive identifier[s] of the major risk[s])	\$1,250	1 [12 containers]	n/a	\$1,250
2.b. WAC 173-303-630(3) (2014): Failure to mark containers with identifiers of the major risks (i.e., "Dangerous Waste" or "Hazardous Waste")	\$1,250	1 [3 containers]	n/a	\$1,250
2.c. WAC 173-303-800(2) (2014): Failure to mark containers with the starting date of accumulation of dangerous waste	\$1,250	1 [2 containers]	n/a	\$1,250
3. Failure to conduct and record inspections of containers of dangerous waste				
3.a. WAC 173-303-630(6) (2014): Failure to inspect <i>all areas</i> with containers of dangerous waste at least weekly	\$1,250	1 [5 areas]	n/a	\$1,250
3.b. WAC 173-303-630(6) (2014): Failure to inspect <i>at least weekly</i> all areas with containers of dangerous waste	\$1,250	1 [4 weeks]	n/a	\$1,250
4. WAC 173-303-630(5)(a) (2014): Failure to keep containers of dangerous waste closed	\$1,250	1 [15 containers]	n/a	\$1,250
5. WAC 173-303-515(6)(a)(i) (2014): Failure to keep containers of used oil closed	\$1,250	1 [2 containers]	n/a	\$1,250
6. WAC 173-303-573(22)(a) (2014): Failure to properly manage universal waste	\$1,250	1	n/a	\$1,250
7. WAC 173-303-350 (2014): Failure to properly maintain the facility contingency plan	\$1,250	1	n/a	\$1,250
TOTAL				\$12,500

¹ Each violation listed is a violation of WAC 173-303-800(2) (2014), the requirement to obtain a dangerous waste permit or have interim status for accumulation of dangerous waste. However, where a permit exemption requirement is also a permitted facility requirement, the table cites the specific requirement.
