Re: Notice of Violation and Compliance Order/Settlement Agreement for Venoy Group LLC
ICIS ID# 3601748214
Docket Number: RUST-05-2025-0010

Dear Mr. Hussein Houmani:

On April 2, 2025, the U.S. Environmental Protection Agency issued an amended Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at Venoy Group LLC facility located at 32719 Michigan Ave, Wayne, Michigan. The violations were identified during an EPA UST inspection conducted on December 4, 2024.

On April 23, 2025, EPA received your signed copy of the Settlement Agreement. On December 10, 2024, EPA received your supporting documentation that the violation has been corrected. Your payment of \$815 was confirmed by our finance office on April 25, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Charles Holada at holada.charles@epa.gov or (312) 886-4883.

Sincerely,

Regional Hearing Clerk
United States Environmental Protection Agency
