Re: *In the matter of Webco Chemical Corporation, Docket No. EPCRA-01-2025-0008*

Dear Ms. Jensen:

In accordance with 40 C.F.R. §§ 22.13(b) and 22.18(2), and simultaneously transmitted with this letter, please find a Consent Agreement and proposed Final Order ("CAFO") settling the above-referenced action. The Consent Agreement has been signed by the parties and is now being submitted to you for approval.

If signed by you, the CAFO will resolve administrative civil penalty liability of the Respondent, Webco Chemical Corporation ("Webco"), for alleged violations of Section 313 of the Emergency Planning and Community Right-to-Know Act ("EPCRA"), 42 U.S.C. § 11023. The alleged violations occurred at Respondent's facility located at 420 West Main St., Dudley, MA 01571.

Under the terms of the CAFO, the Respondent has agreed to pay a civil monetary penalty of \$74,159 within 30 days of the CAFO's effective date and to perform the Supplemental Environmental Project described in paragraphs 65-79 and Attachment 1 of the CAFO. The proposed Agreement complies with EPCRA statutory penalty factors, the *Enforcement Response Policy for Section 313 of the Emergency Planning and Community Right-to-Know Act (1986)*, and the 2015 Update to the 1998 U.S. Environmental Protection Agency Supplemental Environmental Projects Policy ("SEP Policy"). Once the proposed Agreement has been signed by you, the fully-executed Agreement will be filed with the Regional Hearing Clerk and become final.

The parties' consent to the use of digital signatures (as well as Respondent's consent to electronic service of the CAFO, once filed) is included in the CAFO. Respondent chose to sign the CAFO with a "wet" signature, and EPA's official signed electronically. Accordingly, I am submitting a PDF of the executed CAFO and will file Respondent's original signature page with you after I receive it in the mail.

Thank you for your attention to this matter.

Respectfully submitted,

Uzma S. Bishop-Burney
Enforcement Counsel
