Re: *In the Matter of: Mark Illian and Mark Floor*  
Docket No. CWA-01-2025-0023

Dear Ms. Santiago:

In accordance with 40 C.F.R. § 22.13(b), enclosed please find a partially-executed proposed Consent Agreement and Final Order (the “Agreement”) that will simultaneously commence and settle the above-referenced action. The proposed Agreement has been signed by the parties but has not yet been approved by the Regional Judicial Officer due to the public notice requirements of the Clean Water Act and 40 C.F.R. § 22.45.

A copy of the public notice is enclosed herewith and announces a 30-day comment period regarding the proposed Agreement that ends on September 2, 2025. The partially-executed proposed Agreement is being filed in case you receive requests seeking copies of this document in response to the public notice. The original of the proposed Agreement will be maintained in my personal files until the public notice period expires. Following the close of the comment period, the original Agreement will be submitted to the Regional Judicial Officer for approval. In accordance with 40 C.F.R. § 22.45(c)(3), the Agreement will not be filed before 10 days following the close of the comment period.

Sincerely,

Laura Beveridge, Senior Enforcement Counsel  
EPA Region 1 – New England
