Re: Notice of Violation and Compliance Order/Settlement Agreement for Kishna Citgo
ICIS ID: 3601798490 Docket Number: RUST-05-2026-0008

Dear Mitesh Patel:

On April 28, 2025, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the Kishna Citgo facility located at 8101 22nd Avenue, Kenosha, Wisconsin. The violations were identified during an EPA UST inspection conducted on March 14, 2025.

On September 8, 2025, EPA received your signed copy of the Settlement Agreement. Supporting documentation that the violations have been corrected was received on October 15, 2025. Your payment of \$2,445.00 was confirmed by our finance office on July 23, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill at hill.kevin@epa.gov or (312) 886-6087.

Sincerely,

JULIANE GRANGE
