Subj: Administrative Order issued to Daniel and Diane Alexander regarding the  
Mountain Village Parks Public Water System, PWS ID #WY5600221  
Docket No. SDWA-08-2026-0030

Dear Mr. and Mrs. Alexander:

Enclosed is an Administrative Order (Order) issued by the United States Environmental Protection Agency under the authority of section 1414(g) of the Safe Drinking Water Act, 42 U.S.C. § 300g-3(g). Among other things, the Order alleges that Daniel and Diane Alexander, (Respondents), as owners of the Mountain Village Parks Public Water System (System), have violated the Lead and Copper Rule Improvements (LCRI), specifically 40 C.F.R. §§ 141.84, 141.85, and 141.90 (Part 141).

The Order is effective upon the date received. Please review the Order and within 10 business days provide the EPA with any pertinent information you believe the EPA may not have (e.g., any monitoring that may have been done but not submitted, any updates to the number of service connections and/or individuals served). If the EPA does not hear from you, the EPA will assume this information is correct. Please note if you choose to submit a plan and schedule to address submitting the Lead Service Line Inventory, the final date should be no greater than six months from the effective date of this order, unless you can provide documentation of extenuating circumstances. If you comply with the Order, the EPA may close the Order without further action. Failure to comply with the Order may trigger immediate action by the EPA, including a complaint seeking administrative penalties. The complaint may lead to assessment of civil penalties of up to

\$71,545 (as adjusted for inflation) per day of violation, a court injunction ordering compliance, or both. 42 U.S.C. § 300g-3; 40 C.F.R. part 19; 90 Fed. Reg. at 1375 (January 8, 2025).

If the number of connections served by the System falls below 15 connections, you must notify the EPA in writing within 10 calendar days by submitting a completed basic information form. The form is enclosed.

If you (a) lease or sell the System to another person or entity, or (b) contract with or hire any other person or entity to operate the System, you must, within 10 calendar days, provide a copy of this Order to the lessee, purchaser, or contractor and notify the EPA in writing of the change.

The Small Business Regulatory Enforcement and Fairness Act (SBREFA) may apply to this situation. Enclosed is a small business information sheet, outlining compliance assistance resources available to small businesses and small entities, in case these are relevant. SBREFA does not eliminate the responsibility to comply with the Order or Part 141. Also enclosed are several templates and fact sheets to assist you in addressing the outstanding violations.
