Table 2 - Description of Violations and Vehicles/Engines					
EPA obtained evidence that Fine Tuning LLC (Respondent) tampered and installed aftermarket defeat devices with the vehicles/engines listed below. EPA obtained evidence that Respondent installed, and/or sold, and/or offered for sale the products listed under Defeat Device Violation(s). The products are parts or components intended for use with, or as part of, a motor vehicle. The principal effect of each of the products listed is to bypass, defeat, or render inoperative any device or element of design installed on or in a motor vehicle in compliance with regulations under Clean Air Act Title II. Respondent knew or should have known that the products listed below were installed for such use. EPA obtained evidence that Respondent removed or rendered inoperative the devices or elements of design listed below under Tampered Motor Vehicle/Engine Violations. The devices or elements of design were installed on or in motor vehicles or motor vehicle engines in compliance with the regulations under Clean Air Act Title II. Respondent knowingly removed the devices or elements of design. It is a violation of Section 203(a)(3)(A) of the CAA, 42 U.S.C. § 7522(a)(3)(A) to tamper with EPA-certified vehicles and engines. It is a violation of Section 203(a)(3)(B) of the CAA, 42 U.S.C. § 7522(a)(3)(B) to sell, offer for sale, and install defeat device intended for use with EPA-certified motor vehicles and engines. Based on information summarized below, EPA finds that Respondent has committed 21 violations of Section 203(a)(3) of the CAA, 42 U.S.C. § 7522(a)(3).
