Re: Notice Pursuant to Section 3008(a)(2) of the Resource Conservation and Recovery Act
U.S. Air Force Joint Base Elmendorf-Richardson
EPA RCRA ID Number: AK8570028649

Dear Ms. Aldrich:

The purpose of this letter is to notify the Alaska Department of Environmental Conservation (ADEC), pursuant to Section 3008(a)(2) of the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. § 6928(a)(2), that the U.S. Environmental Protection Agency (EPA) is issuing a Consent Agreement and Final Order (CAFO) to the United States Air Force for Joint Base Elmendorf-Richardson (JBER) in Anchorage, Alaska. The Agreement alleges that the Air Force violated the terms of 2010 JBER Permit Condition IV.C.1. by failing to notify the Administrator, in writing, of newly-discovered releases of hazardous wastes and hazardous constituents from a solid waste management unit within the required timeframe and assesses a civil penalty of \$47,003.

You will be provided with a copy of the CAFO at the time of issuance. If you have any questions, please contact Chris Bellovary, of my staff, at (206) 553-6232 or Bellovary.Chris@epa.gov.

Sincerely,
