Re: Notice of Proposed Assessment of a Civil Penalty
EPA Docket Nos. CWA-03-2010-0288 & CWA-03-2010-0293

Dear Messrs. Lawruk and Perry:

Enclosed please find two documents captioned "Administrative Penalty Complaint and Notice of Opportunity to Request a Hearing" ("Complaints") issued to Altoona City Authority ("Respondent"), under the authority of Section 309(g) of the Clean Water Act ("CWA" or "Act"), 33 U.S.C. Section 1319(g). The Complaints allege that Respondent has violated Section 301(a) of the Act, and provisions of its CWA NPDES permit Nos. PA 0027014 (for Respondent's Easterly WWTP) and PA 0027022 (for Respondent's Westerly WWTP). The Complaints propose the assessment of a penalty in the amount of \$27,000 for violations associated with the Easterly Permit and \$27,000 for violations associated with the Westerly Permit. The violations alleged by the Director, Water Protection Division, United States Environmental Protection Agency, ("Complainant" or "EPA") are specifically set out in Section III of each Complaint.

These actions are an important part of EPA's Chesapeake Bay Compliance Strategy to protect and improve the water quality of the Chesapeake Bay watershed because Respondent's wastewater treatment plants discharge to streams that are part of the Bay watershed. As required by EPA regulations, EPA will be making the public aware of these enforcement actions and other similar cases being taken at this time by EPA.

Unless Respondent elects to resolve the proceedings as set forth in the Complaints, an Answer to each Complaint must be filed within thirty (30) days of receipt of the Complaints in accordance with the "*Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits,*" 40 C.F.R. Part 22, a copy of which is enclosed. Each Answer must respond specifically to each of the allegations in each Complaint. Failure to

respond to these Complaints and Notices with specific answers within the thirty (30) days will constitute an admission of the allegations made. Failure to Answer may result in the entry of a Default Order imposing the proposed penalties without further proceedings.

Respondent has the right to request a hearing to contest any matter set forth in each Complaint. Such request must be included with your Answer to each Complaint. Whether or not you request a hearing, you may request an informal settlement conference to discuss resolution of each case. A request for a settlement conference may be included in each Answer or you may contact the attorney assigned to this case:

Douglas Frankenthaler
Assistant Regional Counsel (3RC20)
U.S. Environmental Protection Agency, Region III
1650 Arch Street
Philadelphia, PA 19103-2029
215-814-2472

Please note that requesting a settlement conference does not affect in any way the obligation to file an Answer within thirty (30) days.

Finally, to help you determine whether Respondent is a "small business" under the Small Business Regulatory Enforcement Fairness Act ("SBREFA"), enclosed is a copy of the SBREFA Fact Sheet. This Fact Sheet provides information on contacting the SBREFA Ombudsman to comment on federal enforcement and compliance activities and also provides information on compliance assistance. As noted in the Fact Sheet, any decision to participate in such a program or to seek compliance assistance does not relieve you of your obligation to respond in a timely manner to an EPA request or other enforcement action, create any new rights or defenses under law and will not affect EPA's decision to pursue this enforcement action. To preserve your legal rights, you must comply with all the rules governing the administrative enforcement process. The Ombudsman and fairness boards do not participate in the resolution of EPA's enforcement actions.

Sincerely,

Jon M. Capacasa, Director
Water Protection Division

Part 122, or other specific authorization.

5. Section 502(5) of the Act, 33 U.S.C. § 1362(5), defines “person” as “an individual, corporation, partnership, association, State, municipality, commission, or political subdivision of a State, or any interstate body.”

II. FINDINGS OF FACT

9. Respondent is a “person” within the meaning of Section 502(5) of the Act, 33 U.S.C. § 1362(5).
10. Respondent is the permittee for a wastewater treatment plant (“WWTP”) located in Allegheny Township, Blair County, Pennsylvania, which discharges pollutants into Beaverdam Branch (hereinafter the “Westerly WWTP”).
11. The Beaverdam Branch is a navigable water, and hence a “water of the United States” as set forth in Section 502(7) of the Act, 33 U.S.C. § 1362(7).
12. Pursuant to Section 402 of the Act, 33 U.S.C. § 1342, the Pennsylvania Department of Environmental Protection (“PADEP” or “DEP”) issued to Respondent NPDES Permit No. PA 0027022 for the Westerly WWTP (the “Westerly Permit”), on January 29, 2008, for the discharge of pollutants from the Westerly WWTP.
13. The Westerly Permit is set to expire on January 31, 2013.

III. FINDINGS OF VIOLATION

Count I – Failure To Submit Reevaluation of Local Limits

14. Part C, Section V(E) of the Westerly Permit requires, in pertinent part, that the Respondent “shall submit to EPA and DEP, a reevaluation of its local limits based on a headworks analysis of its treatment plant within one year of permit issuance.”

15. Respondent's submission of its reevaluation of its local limits based on a headworks analysis of its Westerly WWTP was due January 29, 2009.
16. Respondent failed to submit to EPA and PADEP a reevaluation of its local limits based on a headworks analysis of its Westerly WWTP by January 29, 2009.
17. Respondent's failure to submit the reevaluation as required by the Westerly Permit is a violation of Part C, Section V(E) of the Westerly Permit, and Section 301 of the Act, 33 U.S.C. § 1311.
18. As of the date of this Complaint, Respondent has failed to submit to EPA and PADEP a reevaluation of its local limits based on a headworks analysis of its Westerly WWTP.
19. Under Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), and the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996, and the subsequent Civil Monetary Penalty Inflation Adjustment Rule, 40 C.F.R. Part 19, violations of the Act, such as these, which occurred subsequent to January 12, 2009 subject the violator to civil penalties in an amount not to exceed \$16,000 per violation.

Count II – Failure To Submit Sampling Plan

20. Part C, Section V(E) of the Westerly Permit also requires, in pertinent part, that within three (3) months of permit issuance the Respondent shall submit to EPA and DEP the "list of pollutants to be evaluated, as well as a sampling plan for collection of necessary data... ."
21. Respondent's sampling plan for collection of necessary data for the Westerly WWTP was due April 29, 2008.
22. Respondent failed to submit a sampling plan for collection of necessary data for the Westerly WWTP to EPA and PADEP by April 29, 2008.
23. Respondent's failure to submit the sampling plan for the Westerly WWTP as required is a violation of Part C, Section V(E) of the Westerly Permit, and Section 301 of the Act, 33 U.S.C. § 1311.
24. As of the date of this Complaint, Respondent has failed to submit to EPA and PADEP a sampling plan for its Westerly WWTP.
25. Under Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), and the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996, and the subsequent Civil Monetary Penalty Inflation

Adjustment Rule, 40 C.F.R. Part 19, violations of the Act, such as these, which occurred between March 15, 2004 and January 12, 2009 subject the violator to civil penalties in an amount not to exceed \$11,000 per violation.

IV. PROPOSED CIVIL PENALTY

26. Based upon the foregoing allegations, and pursuant to the authority of Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), Complainant hereby proposes to issue a Final Order Assessing Administrative Penalties to the Respondent in the amount of **twenty-seven thousand dollars (\$27,000)**. This does not constitute a “demand” as that term is defined in the Equal Access to Justice Act, 28 U.S.C. § 2412.
27. The proposed penalty was determined after taking into account the nature, circumstances, extent and gravity of the violation, Respondent’s prior compliance history, Respondent’s ability to pay, the degree of culpability for the cited violations, and any economic benefit or savings to Respondent because of the violations, all of which are factors identified at Section 309(g)(3) of the Clean Water Act, 33 U.S.C. § 1319(g)(3). In addition, to the extent that facts or circumstances unknown to Complainant at the time of issuance of this Complaint become known after issuance of this Complaint, such facts or circumstances may also be considered as a basis for adjusting the proposed administrative penalty.
28. The Regional Administrator or his delegatee may issue a Final Order Assessing Administrative Penalties after thirty (30) days and without further proceedings following Respondent’s receipt of this Complaint, unless Respondent, within that time, either pays the penalty or responds to the allegations in the Complaint according to the terms of Section V, below.
29. Neither assessment nor payment of an administrative civil penalty pursuant to Section 309 of the Act, 33 U.S.C. § 1319, shall affect Respondent’s continuing obligation to comply with the Clean Water Act, any other Federal or State laws, and with any separate Compliance Order issued under Section 309(a) of the Act, 33 U.S.C. § 1319(a), for the violations alleged herein.

V. ANSWER TO COMPLAINT AND OPPORTUNITY TO REQUEST HEARING

30. Respondent must file an Answer to this Complaint; failure to file an Answer may result in entry of a Default Judgment against Respondent.
31. Upon issuance of a Default Judgment, the civil penalty proposed herein shall become due and payable.

32. Respondent's failure to fully pay the entire penalty, assessed by the Default Order, by the due date may result in a civil action to collect the assessed penalty, plus interest, attorneys' fees, costs, and an additional quarterly nonpayment penalty pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9).
33. In addition, the Default Penalty is subject to the provisions relating to imposition of interest, penalty and handling charges set forth in the Federal Claims Collection Act at the rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717.
34. Any Answer must clearly and directly admit, deny, and/or explain each of the factual allegations contained in the Complaint with respect to which the Respondent has any knowledge, or clearly and directly state that the Respondent has no knowledge as to particular factual allegations in the Complaint.
35. The Answer shall also state the following:
 - a. the specific factual and legal circumstances or arguments which are alleged to constitute any grounds of defense;
 - b. the specific facts that Respondent disputes;
 - c. Respondent's basis for opposing the proposed penalty; and
 - d. whether Respondent requests a hearing.

Failure to admit, deny or explain any of the factual allegations in the Complaint constitutes admission of the undenied allegations.

36. Pursuant to Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), Respondent may request a hearing on the proposed civil penalty within thirty (30) days of receiving this Complaint.
37. At the hearing, Respondent may contest any material fact contained in the Findings listed in Sections II and III, above, and the appropriateness of the amount of the proposed civil penalty in Section IV, above.
38. The procedures for hearings are set out in the Consolidated Rules.
39. Any Request for Hearing and Answer to this Complaint that Respondent wishes to file must be filed within thirty (30) days of receiving this Complaint with the following:

Regional Hearing Clerk (3RC00)
U.S. Environmental Protection Agency, Region III
1650 Arch Street

Philadelphia, PA 19103-2029

40. Copies of the Request for Hearing and the Answer, along with any and all other documents filed in this action, shall also be sent to the following:

Mr. Douglas Frankenthaler
Assistant Regional Counsel (3RC20)
U.S. Environmental Protection Agency, Region III
1650 Arch Street
Philadelphia, PA 19103-2029

VI. SETTLEMENT CONFERENCE

41. EPA encourages settlement of proceedings at any time after issuance of a Complaint if such settlement is consistent with the provisions and objectives of the Act.
42. Whether or not a hearing is requested, Respondent may request a settlement conference with Complainant to discuss the allegations of the Complaint and the amount of the proposed civil penalty. **However, a request for a settlement conference does not relieve the Respondent of the responsibility to file a timely Answer to the Complaint.**
43. In the event settlement is reached, its terms shall be expressed in a written Consent Agreement prepared by Complainant, signed by the parties, and incorporated into a Final Order signed by the Regional Administrator or his delegatee.
44. The execution of such a Consent Agreement shall constitute a waiver of Respondent's right to contest the allegations of the Complaint or to appeal the Final Order accompanying the Consent Agreement.
45. If you wish to arrange a settlement conference, or if you have any questions related to this proceeding, please contact Douglas Frankenthaler, Assistant Regional Counsel, U.S. Environmental Protection Agency, Region III, at (215) 814-2472 before the expiration of the thirty (30) day period following your receipt of this Complaint.
46. If you are represented by legal counsel, you must have your counsel contact Mr. Frankenthaler on your behalf.
47. Once again, however, **such a request for a settlement conference does not relieve the Respondent of the responsibility to file an Answer within thirty (30) days following Respondent's receipt of this Complaint.**

VII. QUICK RESOLUTION

48. In accordance with 40 C.F.R. § 22.18(a), and subject to the limitations in 40 C.F.R. § 22.45, Respondent may resolve this proceeding at any time by paying the specific penalty proposed in this Complaint.
49. If Respondent pays the specific penalty proposed in this Complaint within thirty (30) days of receiving this Complaint, then, pursuant to 40 C.F.R. § 22.18(a)(1), no Answer need be filed.
50. If Respondent wishes to resolve this proceeding by paying the penalty proposed in this Complaint instead of filing an Answer, but needs additional time (more than thirty (30) days) to pay the penalty, then pursuant to 40 C.F.R. § 22.18(a)(2), Respondent may file a written statement with the Regional Hearing Clerk within thirty (30) days of receiving this Complaint stating that Respondent agrees to pay the proposed penalty in accordance with 40 C.F.R. § 22.18(a)(1) but needs additional time in which to do so.
51. Such written statement need not contain any response to, or admission of, the allegations in the Complaint.
52. Such statement shall be filed with the following:

Regional Hearing Clerk (3RC00)
U.S. EPA, Region III
1650 Arch Street
Philadelphia, PA 19103-2029

and a copy shall be provided to:

Mr. Douglas Frankenthaler
Assistant Regional Counsel (3RC20)
U.S. Environmental Protection Agency, Region III
1650 Arch Street
Philadelphia, PA 19103-2029
53. Upon filing such a written statement, Respondent will receive an additional thirty (30) days, for a total of sixty (60) days from the date of receiving this Complaint, in which to pay the full amount of the proposed penalty.
54. **Failure to pay in full the proposed penalty within thirty (30) days of receipt of this Complaint, or within sixty (60) days of receipt of this Complaint should Respondent file a written statement with the Regional Hearing Clerk pursuant to 40 C.F.R. § 22.18(a)(2), may subject the Respondent to default pursuant to 40 C.F.R. § 22.17.**
