Re: Closure of Administrative Order
Docket No. SDWA-08-2011-0016
Centennial Water and Sewer District
PWS ID # WY5601232

Dear Mr. Copenhaver:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued on January 26, 2011. The EPA has determined that the Centennial Water and Sewer District (the District) has complied with the terms of the Order and therefore we will close it at this time.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Kathelene Brainich at 303-312-6481. Thank you for resolving these issues.

Sincerely,

Kimberly Pardue Welch
