Dear Mr. Sakajian:

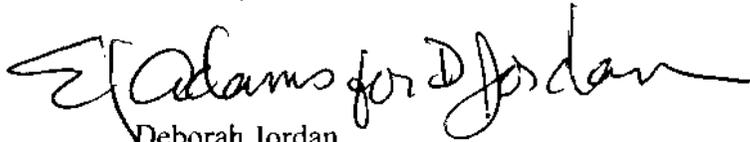

Enclosed is a copy of a Complaint and Notice of Opportunity for Hearing ("Complaint") filed pursuant to Section 113(d) of the Clean Air Act, 42 U.S.C. Sections 7401-7671q (1991) (the "Act"). The Complaint alleges that, during demolition of the structure(s) adjacent to 12015 La Grange Road in Jamestown, California, CSC Trading Inc., and Rick Barone, R&B Recycling failed to comply with notification requirements of the National Emission Standards for Hazardous Air Pollutants ("NESHAP") for asbestos, promulgated pursuant to Section 112 of the Act. These alleged violations are more specifically set forth in the Complaint.

As set forth in the Complaint, you are required to respond to this Complaint within thirty (30) days of receipt of the Complaint. If you fail to file an Answer to this Complaint with the Regional Hearing Clerk within thirty (30) days of receipt, your failure may constitute an admission of all facts alleged in the Complaint and a waiver of your right to a hearing. The proposed civil penalty shall become due and payable sixty (60) days after a final order is issued upon default.

Copies of the following rules and regulations are included for your information: (1) the asbestos NESHAP regulations (40 C.F.R. Part 61, Subpart M); (2) the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties; (3) the Clean Air Act Stationary Source Civil Penalty Policy and Appendix III.

If you wish to discuss this Complaint, your attorney may contact Carol Bussey, Associate Regional Counsel, at (415)972-3950, or you may contact Robert Trotter, Enforcement Officer, at (415)972-3989.

Sincerely,

Deborah Jordan
