**RE: Notice of Payment of Civil Penalty
In the matter of Solutia Inc., Docket No. CAA-05-2013-0030**

To whom it may concern:

Pursuant to paragraph 34 of the July 12, 2013 Consent Agreement and Final Order (CAFO) In the matter of Solutia Inc., Docket No. CAA-05-2013-0030, Respondent Solutia Inc. (Solutia) hereby provides this notice of the timely payment of the civil penalty assessed by wire transfer on August 9, 2013. An electronic funds transfer was used to pay \$55,391 within 30 days after the CAFO effective date as required by CAFO paragraph 32. Confirmation details are provided as follows:

Bank Clearing ID
Bank Clearing ID Type

Please note that the CAFO contains no "billing document number" as referenced in Paragraph 34 and Solutia has no knowledge of such a number. Solutia asked EPA counsel Michael Berman about this requirement and in an email dated July 24, 2013, Mr. Berman indicated Solutia did not need to include such a number in this notice. Accordingly, Solutia has not included this number.

Solutia is paying this civil penalty in exchange for the full and final resolution of all alleged violations in the CAFO. Solutia's payment is not an admission of liability for the alleged noncompliance outlined in that CAFO and should not be construed as such.

Please contact me if you have any questions.

Very truly yours,

EASTMAN CHEMICAL COMPANY
