**MOTION FOR EXTENSION OF TIME TO FILE ANSWER**

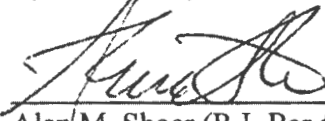

Pursuant to 40 CFR §22.16, the City of Woonsocket, Rhode Island ("Respondent") hereby moves for an extension of time up to and including July 31, 2013 to file its Answer to the Administrative Complaint ("Complaint") in the above-referenced matter. As grounds for the requested relief, Respondent states that after several conferences and settlement discussions the parties have reached consensus on a settlement proposal. As a result of these discussions, the parties have agreed upon terms for settlement, including a supplemental environmental project (SEP) and have drafted the basic documents. EPA is presently reviewing the draft Consent Order and SEP and preparing the settlement documents for presentation for the required approvals.

The parties expect to be in a position to present the settlement documents and Consent Order to the Regional Hearing Officer within the next 60 days. EPA has indicated to counsel that it has no objection to the requested extension.

WHEREFORE, Respondent respectfully requests that its Motion for Extension of Time to File an Answer be granted and that it be allowed up to and including July 31, 2013 to file its Answer to the Complaint.
