Re: EPA Approval of *Closure Plan, Former Kincaid Park Biathlon Range Site, Anchorage, Alaska*  
EPA ID Number: AKR 00020 2952

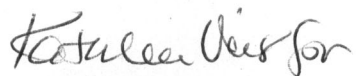

Dear Sirs:

The United States Environmental Protection Agency, Region 10 (EPA) hereby approves the *Closure Plan, Former Kincaid Park Biathlon Range Site (Closure Plan)*, dated March 2011, submitted by ALTA Geosciences, Inc. on behalf of the Kincaid Project Group, Inc., Land Design North, Inc., the Municipality of Anchorage, and Roger Hickel Contracting, Inc. (the Parties). The Closure Plan was submitted to EPA pursuant to the Resource Conservation and Recovery Act as a requirement of the Consent Agreement and Final Order between EPA and the Parties filed October 6, 2010.

EPA issued a public notice on the Closure Plan on March 22, 2011, asking for public comment on the plan and offering to hold a public hearing if one was requested. A thirty-day public comment was held between March 22, 2011 and April 21, 2011. No public comments were received by EPA and a public hearing was not requested. Therefore EPA is now approving the plan with no revisions. The Alaska Department of Environmental Conservation will approve the plan separately from this EPA approval. When approved by both agencies the Closure Plan must be implemented by the Parties according to the schedule in the plan.

If you have any questions please contact Jan Palumbo of my staff at (206) 553-6702 or by e-mail at palumbo.jan@epa.gov.
