Re: In the Matter of Grafton & Upton Railroad Company, Docket No. CAA-01-2021-0075

Dear Ms. Santiago:

Enclosed for electronic filing, please find the following documents relating to a Clean Air Act Consent Agreement and Final Order ("CAFO") resolving the matter referenced above: (a) the Consent Agreement between the Parties (which includes the Parties' consent to the use of digital signatures and Respondent's consent to receipt of service of the CAFO via electronic mail) and the Final Order, (b) the letter transmitting the CAFO to the Regional Judicial Officer on September 23, 2021, and (c) a Certificate of Service attesting to electronic service to the respondent. We had difficulties with Respondent's digital signature, so Respondent was willing to supply a second copy of the CAFO with a "wet" signature, which is the version that EPA officials signed. I will be filing a PDF of the executed CAFO and submitting the original signatures to Regional Hearing Clerk when I return to the office.

I will also place hardcopies of these documents in your inbox when able.

Sincerely,

Catherine Smith  
Senior Enforcement Counsel  
EPA Region 1
