Dear Mr. James:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2009-0051, issued to the Jackson Hole Airport Board (the Airport Board) on June 23, 2009. Please be aware that the Airport Board is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.
