Re: Administrative Orders Docket Numbers CERCLA-08-2015-0010; CERCLA-08-2015-0011

Dear Ms. Gallery:

Enclosed are the administrative orders for remedial action for the Warm Springs Creek and Community Soils matters. I have not enclosed copies of the remedial action work plan/final design reports or the pertinent records of decision or amendments (the Anaconda Regional Water, Waste, and Soils Operable Unit ROD and ROD amendment and the Community Soils ROD and ROD amendment) as they are voluminous and expensive to copy and as I expect you already have these.

If you have questions concerning these matters, please have your counsel call me at (303) 312-6908.

Thank you.

Sincerely,
