6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of "target housing." Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. The term "target housing" is defined at 40 C.F.R. § 745.103, to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
9. The term "residential dwelling" is defined at 40 C.F.R. § 745.103, to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
10. The term "lessor" is defined at 40 C.F.R. § 745.103, to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
11. 12. The term "agent" is defined at 40 C.F.R. § 745.103, to mean any party who enters into a contract with a lessor, including any party who enters into a contract with a representative of the lessor, for the purpose of leasing target housing.

13. The term “owner” is defined at 40 C.F.R. § 745.103, to mean any entity that has legal title to target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations, except where a mortgagee holds legal title to property serving as collateral for a mortgage loan, in which case the owner would be the mortgagor.
14. The term “lead-based paint free housing” is defined at 40 C.F.R. § 745.103, to mean target housing that has been found to be free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligram per square centimeter or 0.5 percent by weight.
15. Pursuant to 40 C.F.R. § 745.113(b)(2), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards. The lessor shall also disclose any additional information available concerning the known lead-based paint and/or lead-based paint hazards, such as the basis for the determination that lead-based paint and/or lead-based paint hazards exist, the location of the lead-based paint and/or lead-based paint hazards, and the condition of the painted surfaces.
16. Pursuant to 40 C.F.R. § 745.113(b)(3), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a list of any records or reports available to the lessor pertaining to lead-based paint and/or lead-based paint hazards in the housing that have been provided to the lessee. If no such records or reports are available, the lessor shall so indicate.
17. Pursuant to 40 C.F.R. § 745.113(b)(4), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a statement by the lessee affirming receipt of the information set out in paragraphs (b)(2) and (b)(3) of 40 C.F.R. § 745.113 and the lead hazard information pamphlet required under 15 U.S.C. § 2686.
18. Pursuant to 40 C.F.R. § 745.113(b)(6), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature.

#### **B. Requirements Pertaining to Repair, Renovation and Painting of Target Housing**

19. Pursuant to Sections 402 and 406 of TSCA, 15 U.S.C. §§ 2682 and 2686, the EPA Administrator promulgated the “Residential Property Renovation Rules” at 40 C.F.R. Part 745, Subpart E, including the Pre-Renovation Education Rule; Renovation, Repair and Painting Rule, and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.

20. In accordance with 40 C.F.R. § 745.83, the definition of “target housing” found in the definitions set forth in 40 C.F.R. § 745.103, and restated in Paragraph 8 above, applies to the regulations in 40 C.F.R. Part 745, Subpart E.
21. The term “child-occupied facility” is defined at 40 C.F.R. § 745.83, to mean, in part, a building, or portion of a building, constructed prior to 1978, visited regularly by the same child, under six years of age, on at least two different days within any week (Sunday through Saturday period), provided that each day's visit lasts at least three hours and the combined weekly visits last at least six hours, and the combined annual visits last at least 60 hours.
22. The term “renovation” is defined at 40 C.F.R. § 745.83, to mean, in part, the modification of any existing structure or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an "abatement" as defined at 40 C.F.R. § 745.223. The term renovation includes but is not limited to the following: the removal, modification, or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); and the removal of building components (e.g., walls, ceilings, plumbing, windows).
23. The term “firm” is defined at 40 C.F.R. § 745.83, to mean a company, partnership, corporation, sole proprietorship, or individual doing business, association or other business entity; a Federal, State, Tribal, or local government; or a nonprofit organization.
24. Pursuant to 40 C.F.R. § 745.81(a)(2)(ii), no firm may perform, offer, or claim to perform renovations without having obtained certification from the EPA under 40 C.F.R. § 745.89(a)(1), which requires firms that perform renovations for compensation to apply to the EPA for certification to perform renovations.
25. Persons who violate 40 C.F.R. Part 745, Subparts E and F, are subject to civil penalties pursuant to Section 16 of TSCA, 15 U.S.C. § 2615, and 40 C.F.R. Part 19.

#### **IV. FINDINGS OF FACTS**

26. Respondent is, and was at all times relevant to this CAFO, a “lessor” and “agent” and/or “owner” that offered contracts to lease “residential dwellings” that are “target housing” as those terms are defined at 40 C.F.R. § 745.103, and a “firm” that performs “renovations” for compensation as those terms are defined at 40 C.F.R. § 745.83.
27. On July 27, 2022, an inspector with the EPA conducted an inspection at Friedlam Partners, LLC’s southeast regional office, located at 2400 Celanese Road, Rock Hill, South Carolina 29732, for the purpose of evaluating Respondent’s compliance with the requirements of 40 C.F.R. Part 745, Subparts E and F.
28. During the inspection at Respondent’s regional office, Respondent stated that it did not have records in the office, but that it would submit them to the EPA after the inspection.
29. On October 27, 2022, and November 29, 2022, Respondent submitted records to the EPA for review to determine its compliance with 40 C.F.R. Part 745, Subparts E and F.

30. Based on a review of Respondent's records, the EPA determined that Respondent had entered into contracts to lease two residential dwellings that are target housing (constructed before 1978) at the following locations on the specified dates listed below:
- a. 2055 Pine Field Court, #629, North Charleston, South Carolina 29405, built in 1941, lease entered into on July 1, 2022; and
  - b. 2037 Pine Field Court, #650, North Charleston, South Carolina 29405, built in 1941, lease entered into on November 1, 2022.
31. The records submitted by Respondent to the EPA did not show that prior to entering into the leases referenced in Paragraph 30, Respondent had:
- a. Included as an attachment or within the contracts to lease target housing, a statement by the lessees affirming receipt of the information required under 40 C.F.R. § 745.113(b)(2) and 40 C.F.R. § 745.113(b)(3), and the lead hazard pamphlet required under 15 U.S.C. § 2686, in accordance with 40 C.F.R. § 745.113(b)(4); and
  - b. Included as an attachment or within the contracts to lease target housing, the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature, as required by 40 C.F.R. § 745.113(b)(6).
32. Records submitted by Respondent included documents pertaining to certain renovations conducted by Respondent at the following residential dwellings that are target housing (constructed before 1978):
- a. 2055 Pine Field Court, #629, North Charleston, South Carolina 29405, on or about July 25, 2022; and
  - b. 2037 Pine Field Court, #650, North Charleston, South Carolina 29405, on or about December 16, 2022.
33. At the time that the renovation work was being performed at each property referenced in Paragraph 32, Respondent had not obtained "firm certification" as required by 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

## **V. ALLEGED VIOLATIONS**

34. Based on the EPA's review of Respondent's records, the EPA alleges that prior to offering and entering contracts for lease of residential dwellings of target housing as set forth in Paragraph 30 above, Respondent failed to:
- a. Include as an attachment or within the contracts to lease target housing, a statement by the lessees affirming receipt of the information required under 40 C.F.R. § 745.113(b)(2) and 40 C.F.R. § 745.113(b)(3), and the lead hazard pamphlet required under 15 U.S.C. § 2686, in violation of 40 C.F.R. § 745.113(b)(4); and

- b. Include as an attachment or within the contracts to lease target housing, the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature, in violation of 40 C.F.R. § 745.113(b)(6).
35. Based on the EPA's review of Respondent's records, the EPA alleges that in the course of the renovations of the residential properties set forth in Paragraph 32, Respondent, in its capacity as a firm, failed to apply to the EPA and obtain firm certification to perform, offer, or claim to perform renovations for compensation, in violation of 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

44. Pursuant to Section 16(a) of TSCA, 15 U.S.C. § 2615(a), 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:
- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

per annum, which will accrue from the date the penalty payment became due and is not paid, as provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).

- c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

45. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

  - b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. 48. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
49. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.

50. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
51. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
52. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
53. Any change in the legal status of Respondent, or change in ownership, partnership, corporate or legal status relating to the company, or changes pertaining to its ownership and/or management of the residential dwellings identified in Paragraph 30, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
54. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
55. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
56. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
57. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
58. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
59. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any

and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.

60. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
