Re: CLOSURE of Notice of Violation

Docket No. SDWA-08-2010-0031
Round Prairie School Public Water
System
PWS ID # ND5310137

Dear Mr. Kern:

This letter is to advise you formally of the decision of the U.S. Environmental Protection Agency (EPA) to close the Notice of Violation, Docket No. SDWA-08-2010-0031, sent on April 15, 2010, for violations of the Safe Drinking Water Act and its implementing regulations by the Round Prairie School public water system (the system). EPA will not pursue further enforcement action at this time. This decision is based on information provided by your staff that your program entered into a formal Administrative Consent Agreement with the system on May 24, 2010.

I would like to thank you and your staff for their work with EPA and the system to protect public health.

Sincerely,

Lisa Kahn, Team Leader
