Re: ***In the Matter of City of Carbondale, EPA Docket No. CWA-03-2022-0026DN***

Dear Mayor Taylor,

This letter acknowledges that on Wednesday, January 12, 2022, an Opportunity to Confer conference (the Conference) took place between representatives of the U.S. Environmental Protection Agency (EPA) and representatives of the City of Carbondale, PA, including yourself, in reference to the above captioned Administrative Order for Compliance (Order). The Conference was held per Section VII (Opportunity to Confer) of the Order. In accordance with Section IX (Effective Date) of the Order, the Effective Date of the Order is the day that falls ten (10) Days after the Conference. Paragraph 56 defines "Days" as "calendar days." Therefore, the Effective Date of the Order was Saturday, January 22, 2022.

This letter clarifies the Effective Date of Saturday, January 22, 2022, for the Order in part to clarify any misunderstanding as to this date. During the Conference, EPA representatives mistakenly indicated the effective date of the Order as being Monday, January 24, 2022, and we apologize for any confusion caused by such mistake.

Pursuant to the Order, Respondent is required to comply with the requirements set forth at Paragraphs 50 and 51 of the Order no later than Monday, February 7, 2022. Please direct any questions that you may have regarding the Order to Mr. Mark Zolandz, via email at Zolandz.Mark@epa.gov.

Sincerely,

/s/ Kathleen Root
