Re: Administrative Order
Reed Point Elementary School
Public Water System
Docket No. SDWA-08-2008-0109
PWS ID # MT0003482

Dear Mr. Haggard:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2008-0109, issued to the Reed Point Elementary School on September 22, 2008. The EPA has determined that the Reed Point Elementary School has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the Reed Point Elementary School is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Meredith at 406-457-5026. Thank you for resolving these issues.
