ERRATA TO COMPLAINANT'S REPLY PREHEARING EXCHANGE

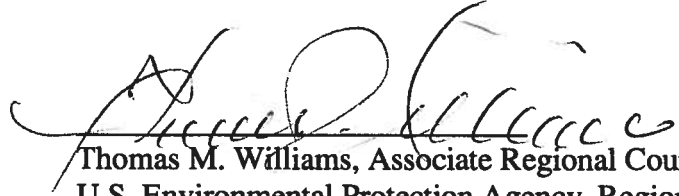

The Complainant hereby submits an Errata sheet regarding her Reply Prehearing Exchange filed on November 10, 2010.

1. In the summary of Mr. James Mitchell's testimony, in the second parenthetical, the words "along with the other" should be replaced with "along with Mr. Walter Nied."
2. Mr. Kendall Moore, who is listed as a potential rebuttal witness, conducted his TSCA inspection of Respondent's facility in November 2007, and not October 2007.
3. Complainant believes that Respondent's individual principal, Mr. Kelly, has a middle initial of "C" and not "E."
4. The exhibits Complainant described as Exhibits 18 and 19, specifically, a document evidencing a jury verdict of guilty and a minute order of the United States District Court for the Northern District of Illinois entering that verdict, were stapled together and placed at the tab numbered 18, and a different, subsequent order in the same case was placed at tab 19. Respondent and the Presiding Officer are notified that Complainant does not presently intend to offer the latter order as an exhibit in this matter; the exhibits Complainant intends to use for impeachment, if necessary, are those described in the narrative of her Reply.

Additionally, Dun & Bradstreet has informed Complainant that it will not assert a confidentiality claim for the Dun & Bradstreet reports that appear as Exhibits 22 through

26, and so they need not be maintained as confidential.

Respectfully submitted this 18th day of November 2010,

A handwritten signature in black ink, appearing to read "Thomas M. Williams", written over a horizontal line.
