Re: Termination of Findings of Violation and Order for Compliance
City of Victor, Iowa
Docket No.: CWA-07-2011-0074

Dear Mayor Pawlak:

On July 19, 2011, the above referenced Findings of Violation and Order for Compliance (Order) was filed with the Regional Hearing Clerk under the authority of Section 309(a)(3) of the Clean Water Act, 33 U.S.C. § 1319(a)(3). On April 25, 2013, the City of Victor submitted its latest quarterly report covering the first quarter of calendar year 2013. The EPA has reviewed that report as well as previous reports received from the City, and has determined that the requirements of the Order have been adequately met. This letter serves as a notification to you that the EPA is terminating the Order as provided in Paragraph 31 of the Order. The EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Wayne Dillard of my staff at (913) 551-7885, or Melissa Bagley, the attorney assigned to this matter at (913) 551-7522.

Sincerely,
