CONSENT AGREEMENT AND FINAL ORDER

Complainant, United States Environmental Protection Agency - Region 1 ("EPA"), having filed a civil administrative Complaint on May 8, 2009, against Respondents, Peter Fondini and Michael Walsh ("Respondents"), in accordance with the Consolidated Rules of Practice at 40 C.F.R. Part 22; and,

Complainant and Respondents (the "Parties") having agreed that settlement of this matter is in the public interest, and that entry of this Consent Agreement and Final Order ("CAFO") without further litigation is the most appropriate means of settling this matter;

NOW THEREFORE, before the taking of any testimony, without any adjudication of issues of law or fact herein, the Parties agree to comply with the terms of this CAFO.

I. PRELIMINARY STATEMENT

1. EPA initiated this proceeding for the assessment of a civil penalty pursuant to Section 16(a) of the Toxic Substances Control Act ("TSCA"), 15 U.S.C. § 2615(a), and 40 C.F.R. § 745.118, by filing the above-mentioned Complaint.

- 2. EPA alleged in its Complaint that Respondents violated TSCA Section 409, 15 U.S.C. § 2689; the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. §§ 4851 *et seq.*; and the federal regulations promulgated thereunder, set forth at 40 C.F.R. Part 745, Subpart F (the "Disclosure Rule"). The Complaint alleges that when leasing various apartments in buildings constructed before 1978 ("target housing"), Respondents failed to:
- a. provide tenants with an EPA-approved lead hazard information pamphlet before they were obligated to rent or lease apartments, in violation of 40 C.F.R. § 745.107(a)(1) and TSCA Section 409, 15 U.S.C. § 2689;
- b. disclose the presence of known lead-based paint and/or lead-based paint hazards and/or provide records or reports pertaining to lead-based paint or lead-based paint hazards, in violation of 40 C.F.R. § 745.107(a)(2) and/or 40 C.F.R. § 745.107(a)(4), and TSCA Section 409, 15 U.S.C. § 2689;
- c. include in leases or rental agreements or as an attachment thereto, the Lead Warning Statement, in violation of 40 C.F.R. § 745.113(b)(1) and TSCA Section 409, 15 U.S.C. § 2689; and
- d. include in leases or rental agreements or as an attachment thereto, a statement disclosing the presence of known lead-based paint or lead-based paint hazards, or lack of knowledge thereof, in violation of 40 C.F.R. § 745.113(b)(2) and TSCA Section 409, 5 U.S.C. § 2689.
- 3. This CAFO shall apply to and be binding upon Respondents. Respondents stipulate that EPA has jurisdiction over the subject matter alleged in the Complaint and that EPA states a claim upon which relief can be granted. Respondents waive any defenses they might have as to jurisdiction and venue, and, without admitting or denying the factual and legal allegations

contained in the Complaint, consent to the terms of this CAFO as a settlement of the allegations raised by EPA in the Complaint.

4. Respondents hereby waive their right to a judicial or administrative hearing on any issue of law or fact set forth in the Complaint and waive their right to appeal the Final Order accompanying this CAFO.

II. TERMS OF SETTLEMENT

- 5. Pursuant to Section 16(a) of TSCA, 15 U.S.C. § 2615(a), in light of the nature of the violations, Respondents' ability to pay, and other relevant factors, EPA has determined that an appropriate civil penalty to settle this action is in the amount of seven thousand dollars (\$7,000).
- 6. Without admitting or denying the factual and legal allegations contained herein, Respondents consent to the issuance of this CAFO and consent to the payment of the civil penalty cited in the foregoing paragraph.
- 7. Respondents shall pay the penalty of \$7,000, plus interest at four (4) percent per annum, in four payments as follows:
- a. The first payment of \$1,750 shall be made within thirty (30) days of the date the Regional Judicial Officer signs the Final Order;
- b. The second payment of \$1,814.44 (of which \$1,750 is principal and \$64.44 is interest) shall be made within one hundred forty two (142) days of the date the Regional Judicial Officer signs the Final Order;
- c. The third payment of \$1,792.96 (of which \$1,750 is principal and \$42.96 is interest) shall be made within two hundred fifty four (254) days of the date the Regional Judicial Officer signs the Final Order; and,
 - d. The fourth payment of \$1,771.29 (of which \$1,750 is principal and \$21.29 is interest)

shall be made within three hundred sixty five (365) days of the date the Regional Judicial Officer signs the Final Order.

- e. Any failure to pay a scheduled penalty payment on time, unless excused in writing in advance by the Complainant, shall accelerate the entire penalty schedule and make all remaining portions of the \$7,000 penalty due immediately, together with all amounts of interest then owed. In addition, non-payment of penalties may result in the accrual of non-payment penalties in accordance with Paragraphs 10 and 11 below.
- 8. Respondents shall make payments by submitting a cashier's or certified check, payable to the order of the "Treasurer, United States of America," in the amount referenced above in Paragraph 7, to:

- 9. The penalty specified in Paragraph 5, above, shall represent civil penalties assessed by EPA and shall not be deductible for purposes of federal and state taxes.
- 10. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on a civil or stipulated penalty if it is not paid by the last date required. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 31 C.F.R. § 901.9(b)(2). A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorney's fees. In addition, a non-payment penalty charge of seven (7) percent per year compounded annually will be assessed on any portion of the debt which remains delinquent more than ninety (90) days after payment is due. Pursuant to 31 C.F.R. § 901.9(d), any such non-payment penalty charge on the debt will accrue from the date the penalty payment becomes due and is not paid.
- 11. Stipulated Penalties: Respondents shall pay to EPA stipulated penalties in the following amounts for each failure to fully and timely comply with the following requirements:
- a. For failure to pay the civil penalty by the dates specified in Paragraph 7, Respondents shall pay \$200 per day until the full penalty is received by EPA.
- 12. Stipulated penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the final day of the completion of the activity, even if no notice of a violation of this CAFO is sent to Respondents.
- 13. Respondents shall pay stipulated penalties within fifteen (15) days of receipt of written demand by EPA. Respondents shall pay interest on any stipulated penalty, or portion thereof, that is not paid within fifteen (15) days of EPA's written demand. Payment of stipulated penalties and interest, if any, shall be made by cashier's or certified check payable to "Treasurer,

United States of America" in accordance with the procedures specified in Paragraphs 8 and 10 herein.

- 14. Payment of stipulated penalties shall be in addition to any other relief available under federal law.
- 15. Nothing in this CAFO shall be construed as prohibiting, altering, or in any way limiting the ability of EPA to seek any other remedies or sanctions available by virtue of Respondents' violation of this CAFO or of the statutes and regulations upon which this CAFO is based, or for Respondents' violation of any applicable provision of law.
- 16. This CAFO constitutes a settlement by EPA of the claims for civil penalties set forth in the EPA Complaint pursuant to Section 16(a) of TSCA, 15 U.S.C. § 2615(a), for violations of TSCA Section 409, 15 U.S.C. § 2689; the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. §§ 4851 et seq.; and the Disclosure Rule. Nothing in this CAFO is intended to nor shall be construed to operate in any way to resolve any criminal liability of the Respondents. Compliance with this CAFO shall not be a defense to any actions unrelated to the violations alleged in the EPA Complaint and subsequently commenced pursuant to Federal laws and regulations administered by EPA, and it is the responsibility of Respondents to comply with such laws and regulations. Nothing in this CAFO shall be construed as limiting the authority of the United States to undertake any action against Respondents in response to conditions which may present an imminent and substantial endangerment to the public health, welfare or the environment.
- 17. Each undersigned representative of the parties to this CAFO certifies that he or she is fully authorized by the party represented to enter into the terms and conditions of this CAFO and to execute and legally bind that party to it.

18. Each party shall bear its own costs in this proceeding, including attorney fees, and specifically waives any right to recover such costs from the other party pursuant to the Equal Access to Justice Act, 5 U.S.C. § 504, or other applicable law.
