Re: Closure of Administrative Order
Docket No. SDWA-08-2007-0033
PWS ID # MT0000464

To whom it may concern:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2007-0033. The Order was issued to Blain's Mobile Home Court, Inc. on October 3, 2007, for various violations of the National Primary Drinking Water Regulations (drinking water regulations). In October 2008, Meadowlark Capital LLC assumed ownership of the Blain's Mobile Home Court and the name of the public water system was changed to Meadowlark Mobile Home Court (the system). The public water system identification number remained the same. Since that time, the system's owners have worked with the Montana Department of Environmental Quality (MDEQ or the State) to make substantial system improvements and on April 8, 2010, the new treatment system began operation. On April 21, 2010, after the new treatment plant demonstrated satisfactory operation and testing, the State lifted the Boil Order. The system has continued to operate satisfactorily and therefore EPA has determined that it will close the Order at this time.

Please be aware that Meadowlark Capital LLC is still required to comply with the drinking water regulations, 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Kimberly Pardue Welch at 303-312-6983. Thank you for resolving these issues.

Sincerely,
