Re: ***Stop Sale, Use or Removal Order***
In the Matter of AK Wholesale LLC
EPA Docket No. FIFRA-06-2026-0326

Dear Mr. Khan:

Pesticides present significant environmental and health concerns. Exposure to certain toxic pesticides may lead to injury or death, and the sale and use of incorrectly labeled or formulated pesticides pose a serious danger to human health and the environment. As a result, the United States Environmental Protection Agency (EPA) regulates the registration, distribution, sale, and use of pesticides pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and the related regulations in the Code of Federal Regulations. Section 13(a) of FIFRA, 7 U.S.C. § 136k(a), authorizes the EPA to issue an order prohibiting the sale, use or removal of any pesticide by a person who owns, controls, or has custody of such pesticide whenever there is reason to believe on the basis of inspection or tests that the pesticide is in violation of any provision of FIFRA or has been or is intended to be distributed or sold in violation of FIFRA.

Attached is a **STOP SALE, USE, OR REMOVAL ORDER** (SSURO or Order) directed to AK Wholesale LLC (Respondent) concerning the pesticidal products "Fabuloso Ultra Frescura", "Ariel Matic", "Clorox Ropa", and "Clorox (Spanish Label)" (the Products). The SSURO directs Respondent to immediately cease the sale, use or removal of the Products unless written permission is provided by the EPA. ***This order is effective immediately upon receipt.***
