ASSENTED-TO MOTION TO EXTEND TIME TO FILE ANSWER

Polycarbon Industries, Inc. ("Respondent") hereby moves pursuant to 40 C.F.R. § 22.7(b) and 22.16(a) for an extension of time to file an answer and a written request for a hearing in this matter, presently due on or before March 1, 2019. As grounds for this motion, Respondent states that it had an initial conference with EPA counsel and staff to discuss this matter, at which it was agreed additional information would be provided to EPA counsel and staff for its review and evaluation. Substantial information has since been provided to EPA by Respondent, and EPA, delayed in part due to the extended government shutdown, requires additional time to complete its review of this information and discuss the matter further with Respondent in furtherance of the parties' efforts to resolve this matter without the need for further litigation.

Wherefore, Respondent respectfully requests a 45-day extension, i.e., to April 15, 2019, to file an answer and written request for a hearing in this matter. EPA counsel, Andrea Simpson, Esq., has assented to the filing and granting of this motion.

Respectfully submitted,

Assented to:
